

Tight junction

all genes

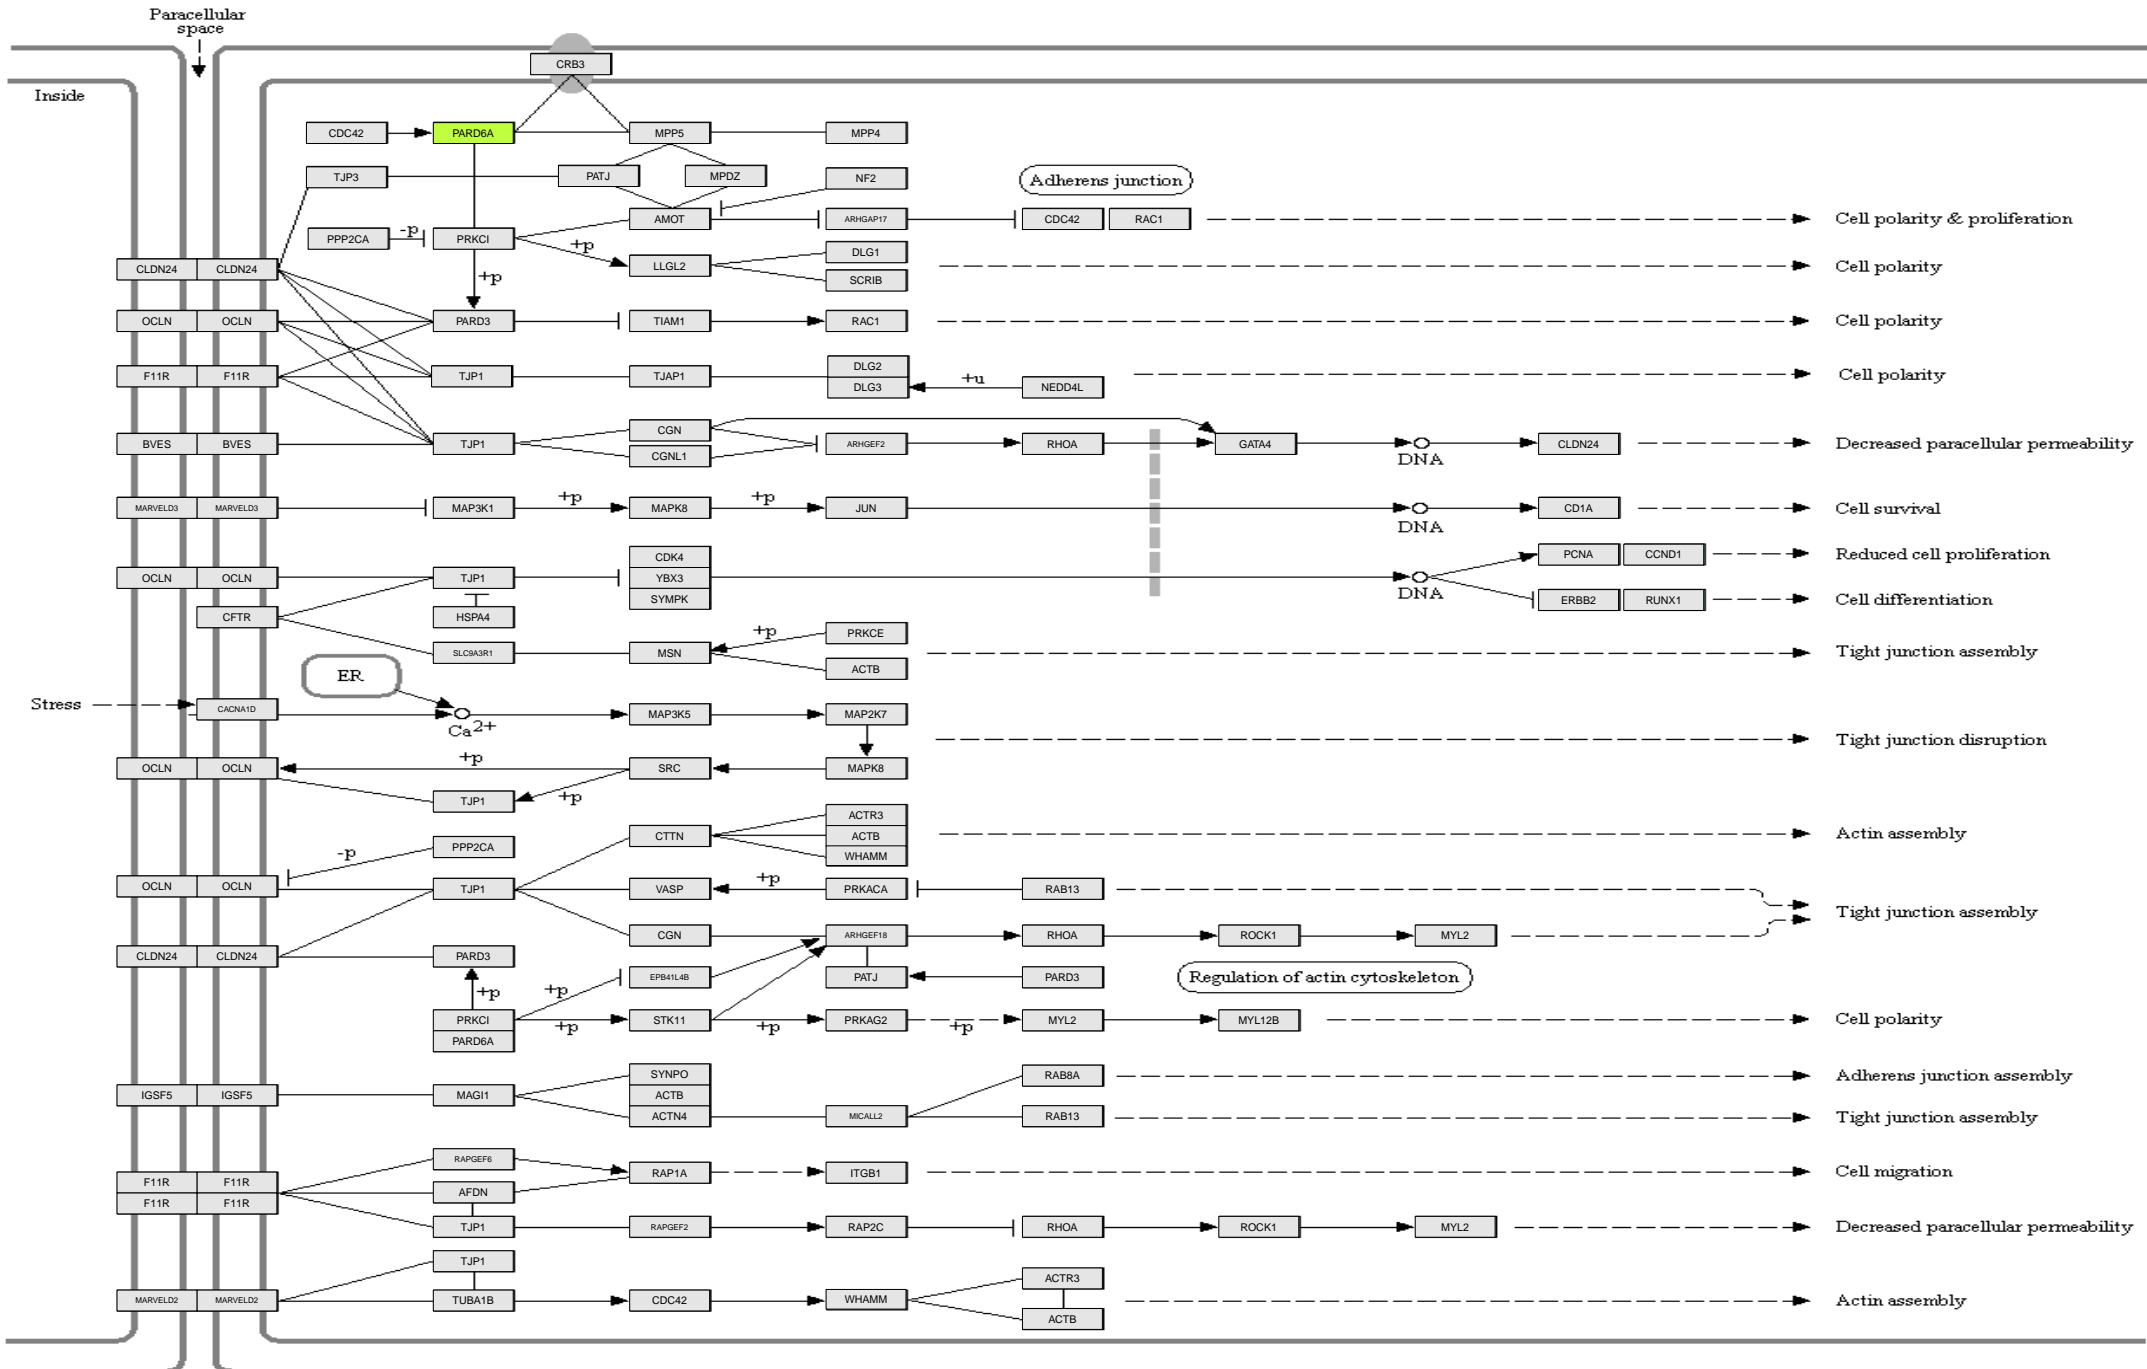

sink node genes

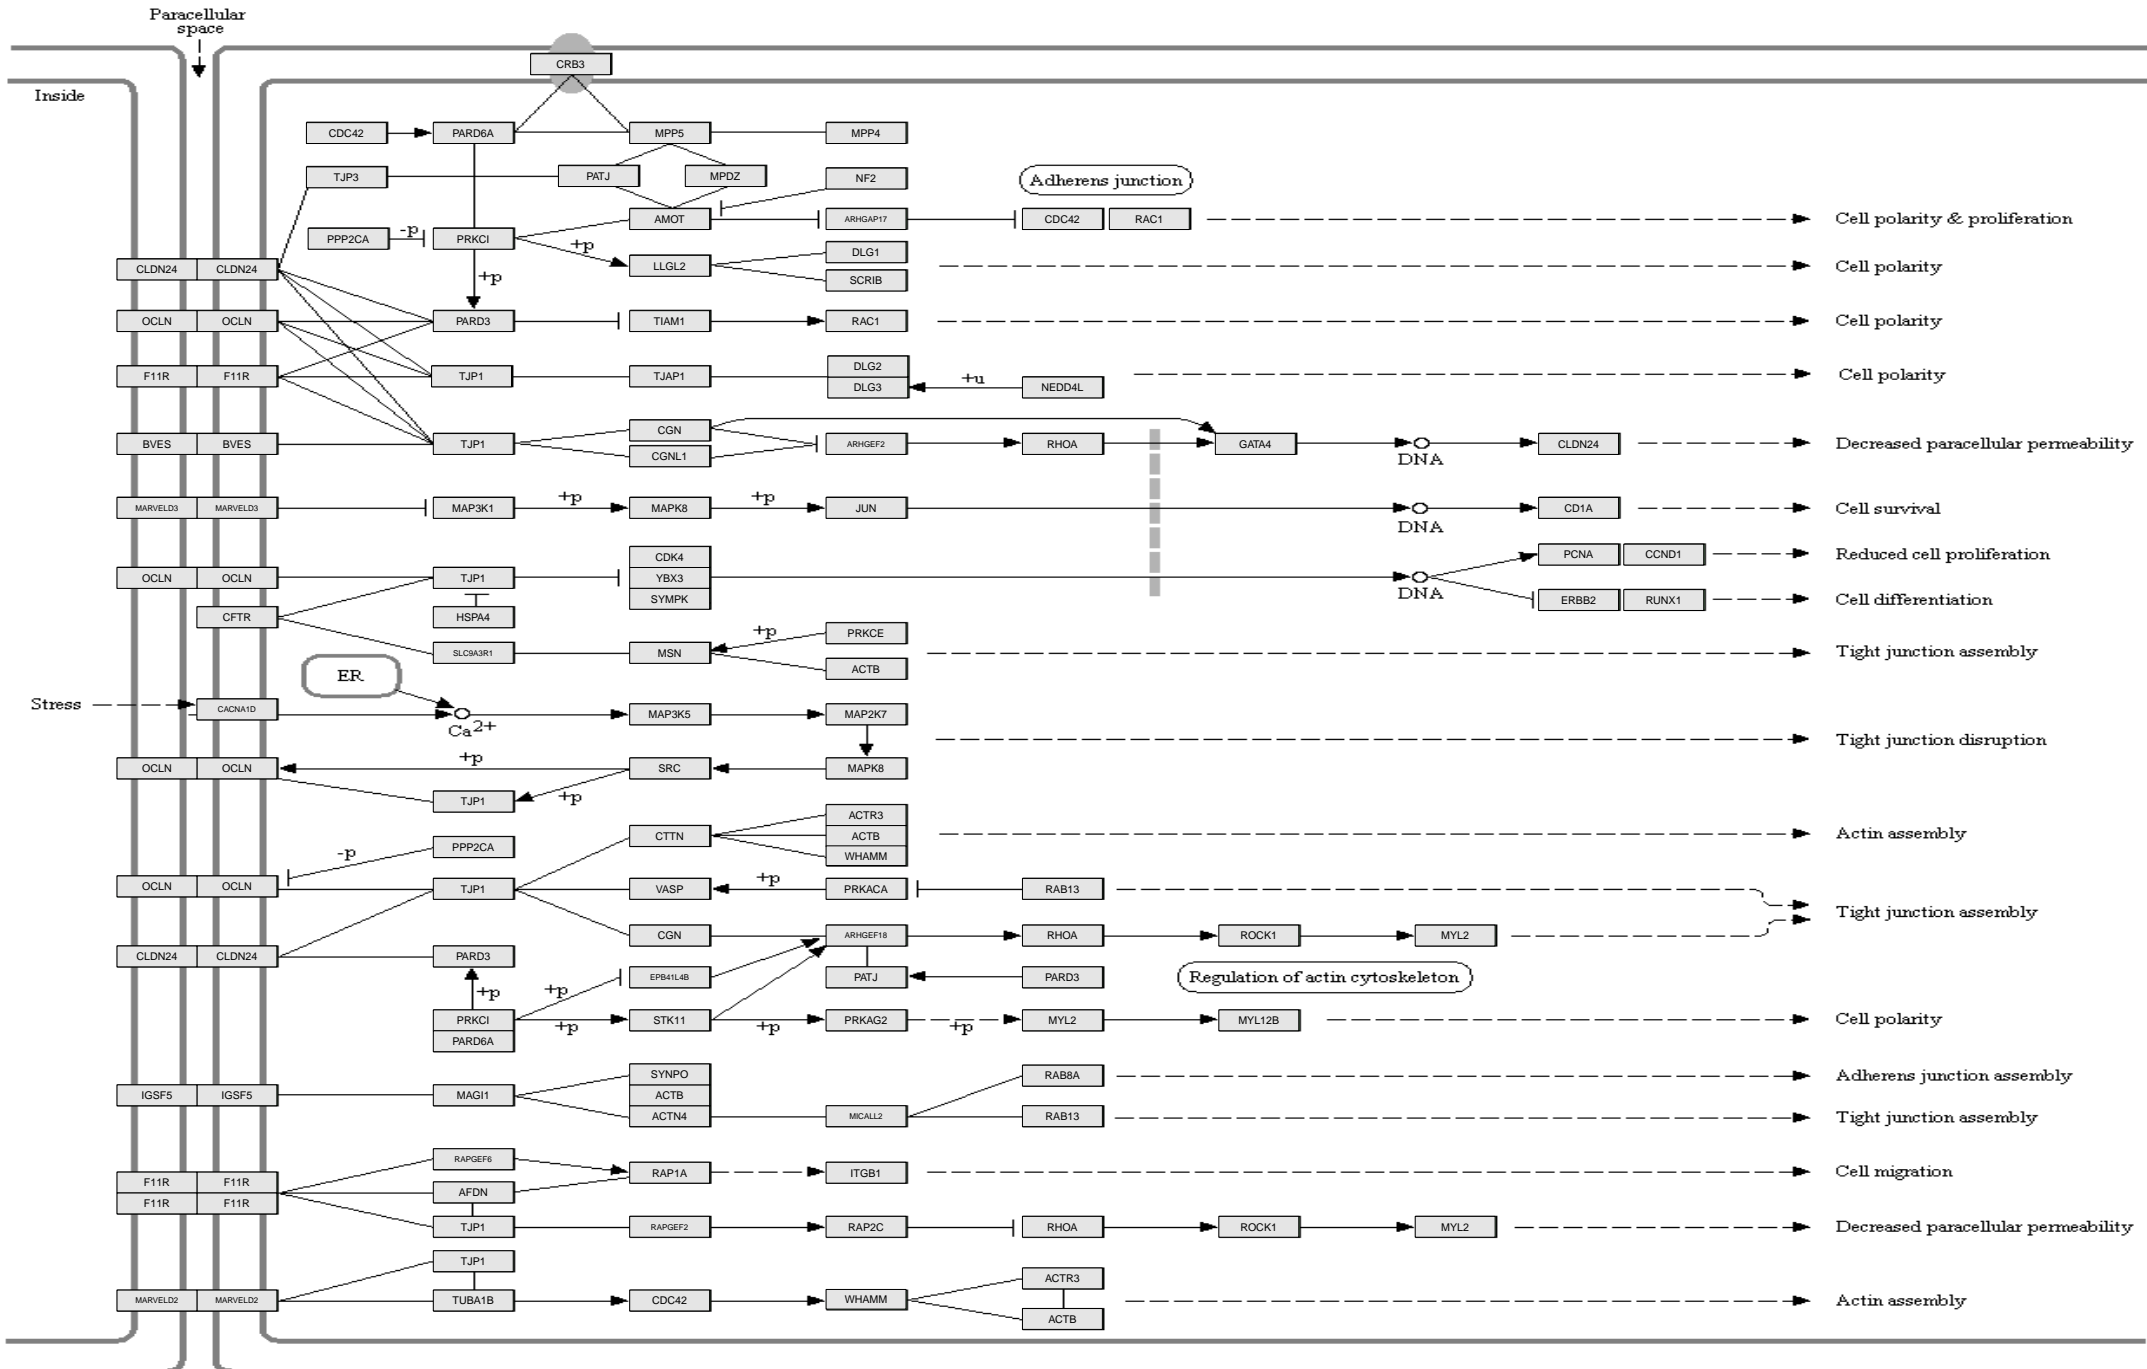

Tight junction genes with data

Tight junction sink nodes

Tight junction influencer genes

Cell polarity & proliferation

Cell polarity

Cell polarity

Cell polarity

Decreased paracellular permeability

Cell survival

Reduced cell proliferation

Cell differentiation

Tight junction assembly

Tight junction disruption

Actin assembly

Tight junction assembly

Cell polarity

Adherens junction assembly

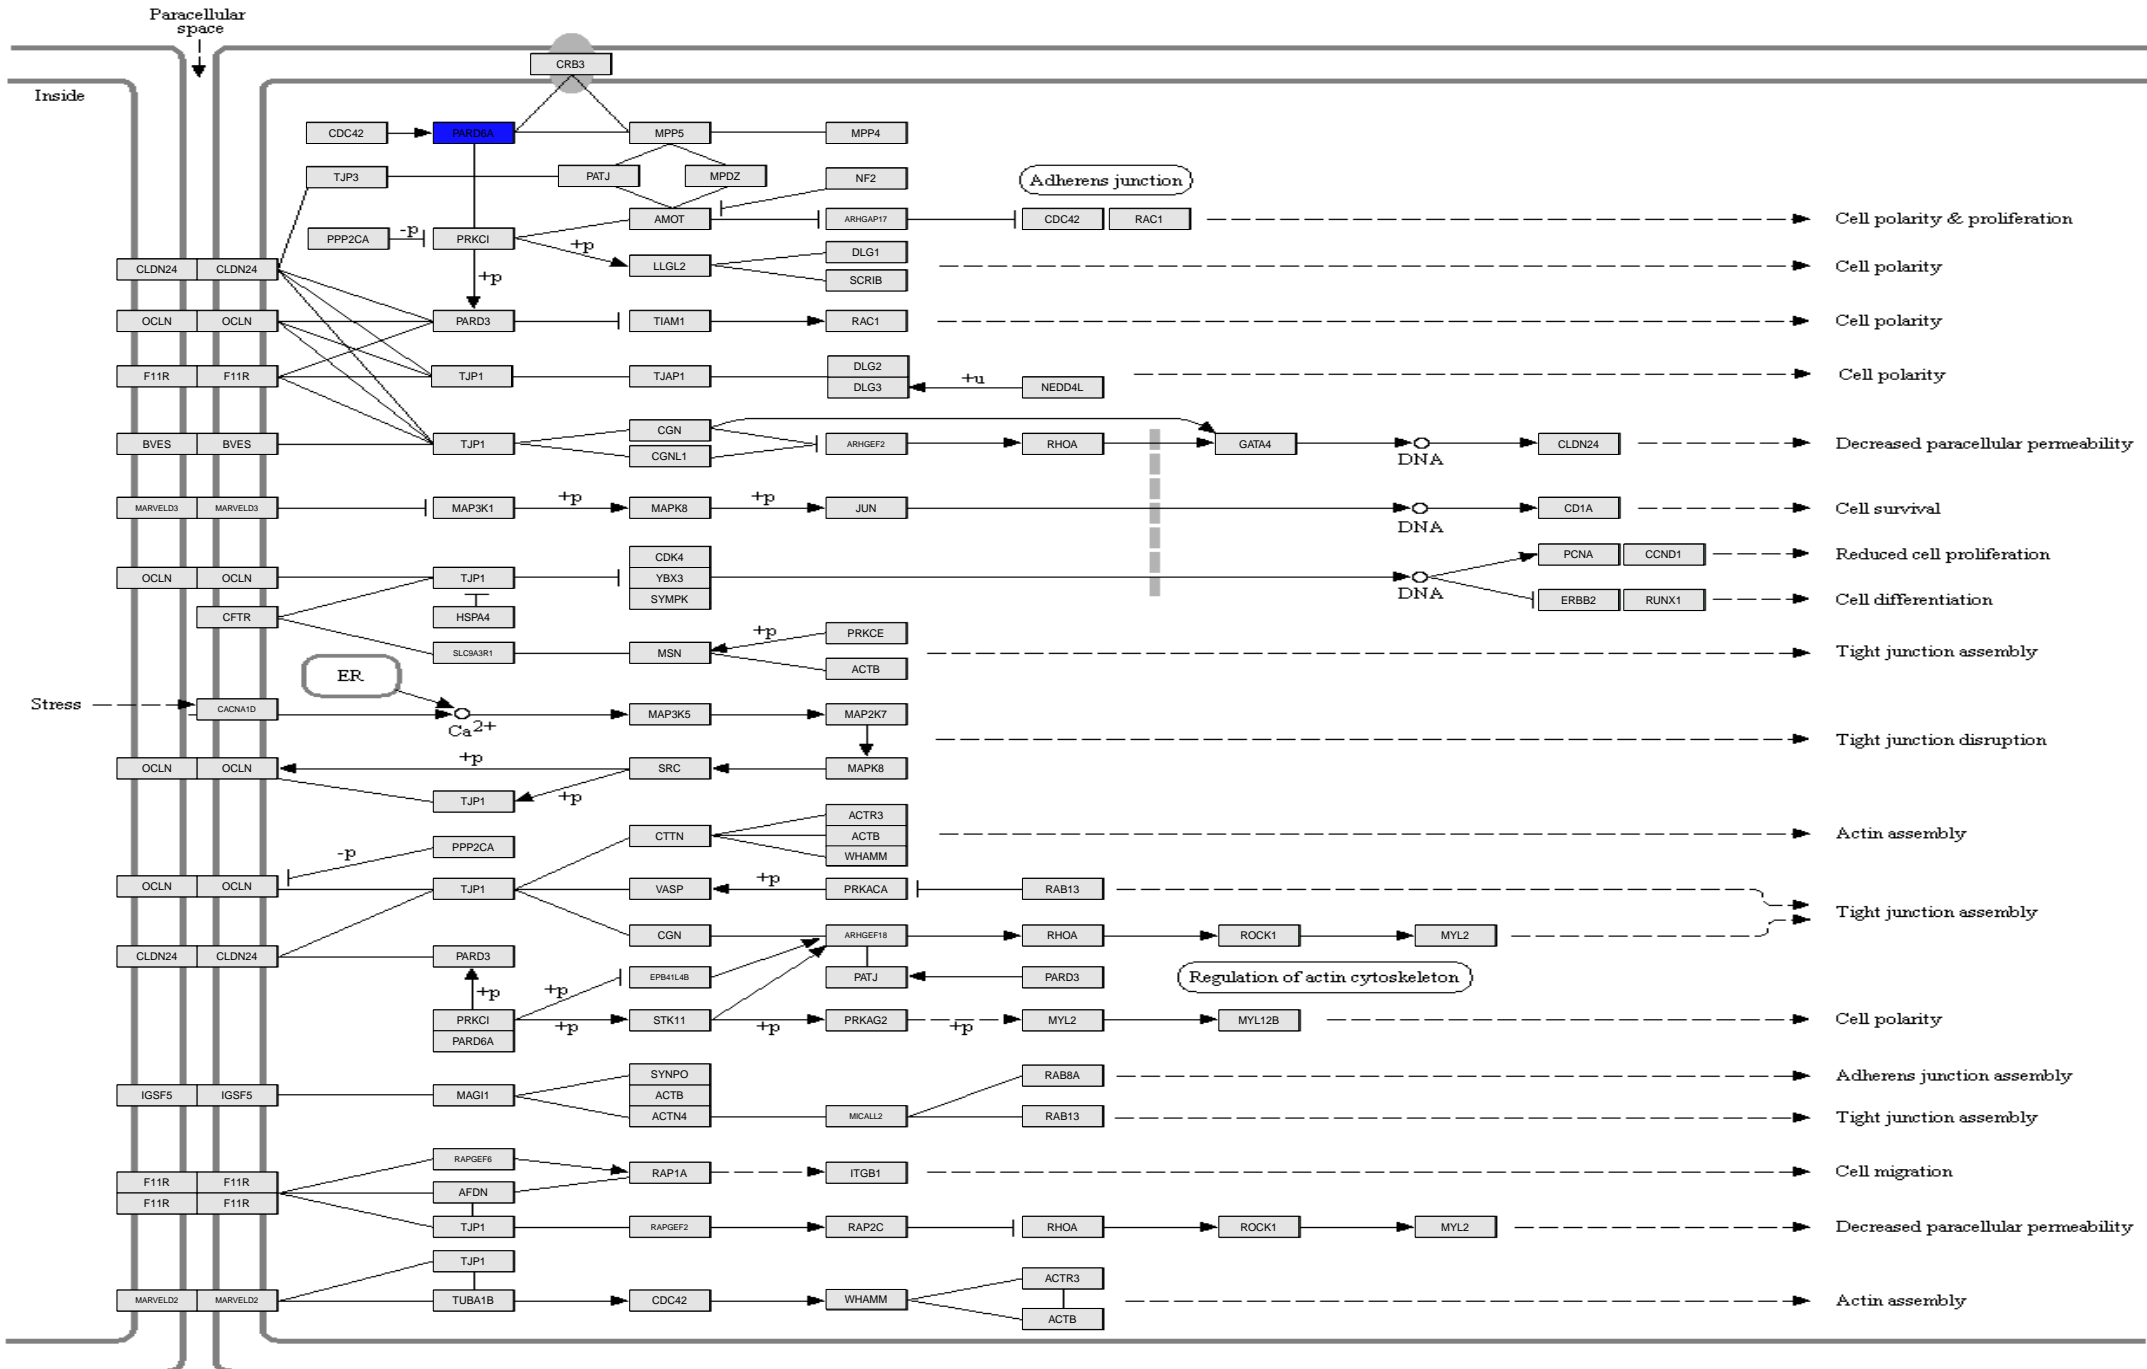

Tight junction assembly

Cell migration

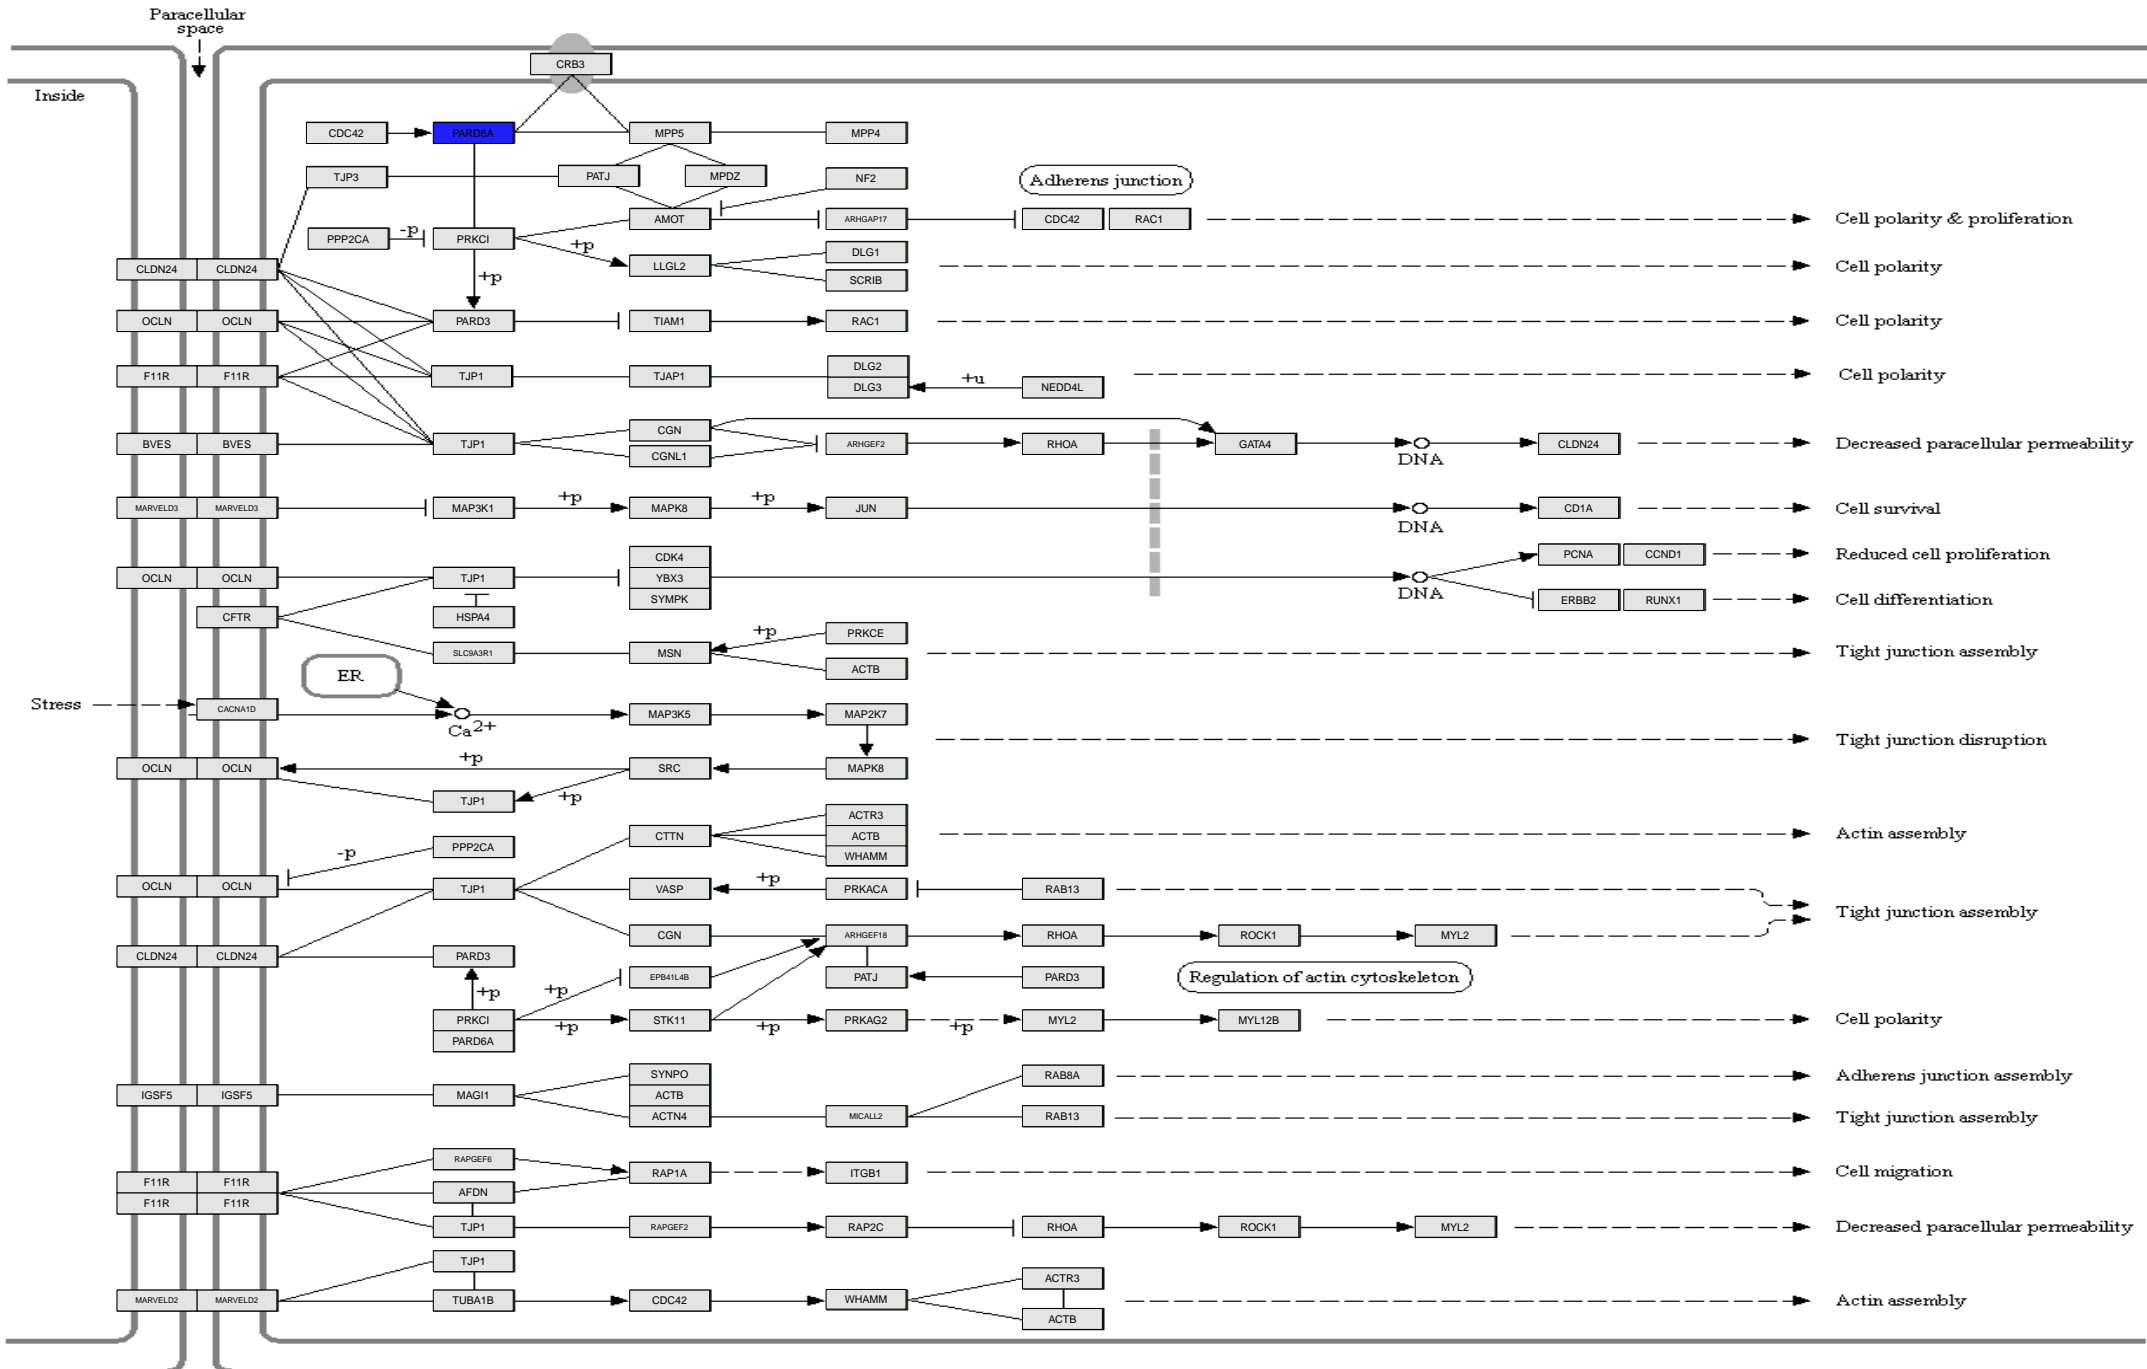

Decreased paracellular permeability

Actin assembly

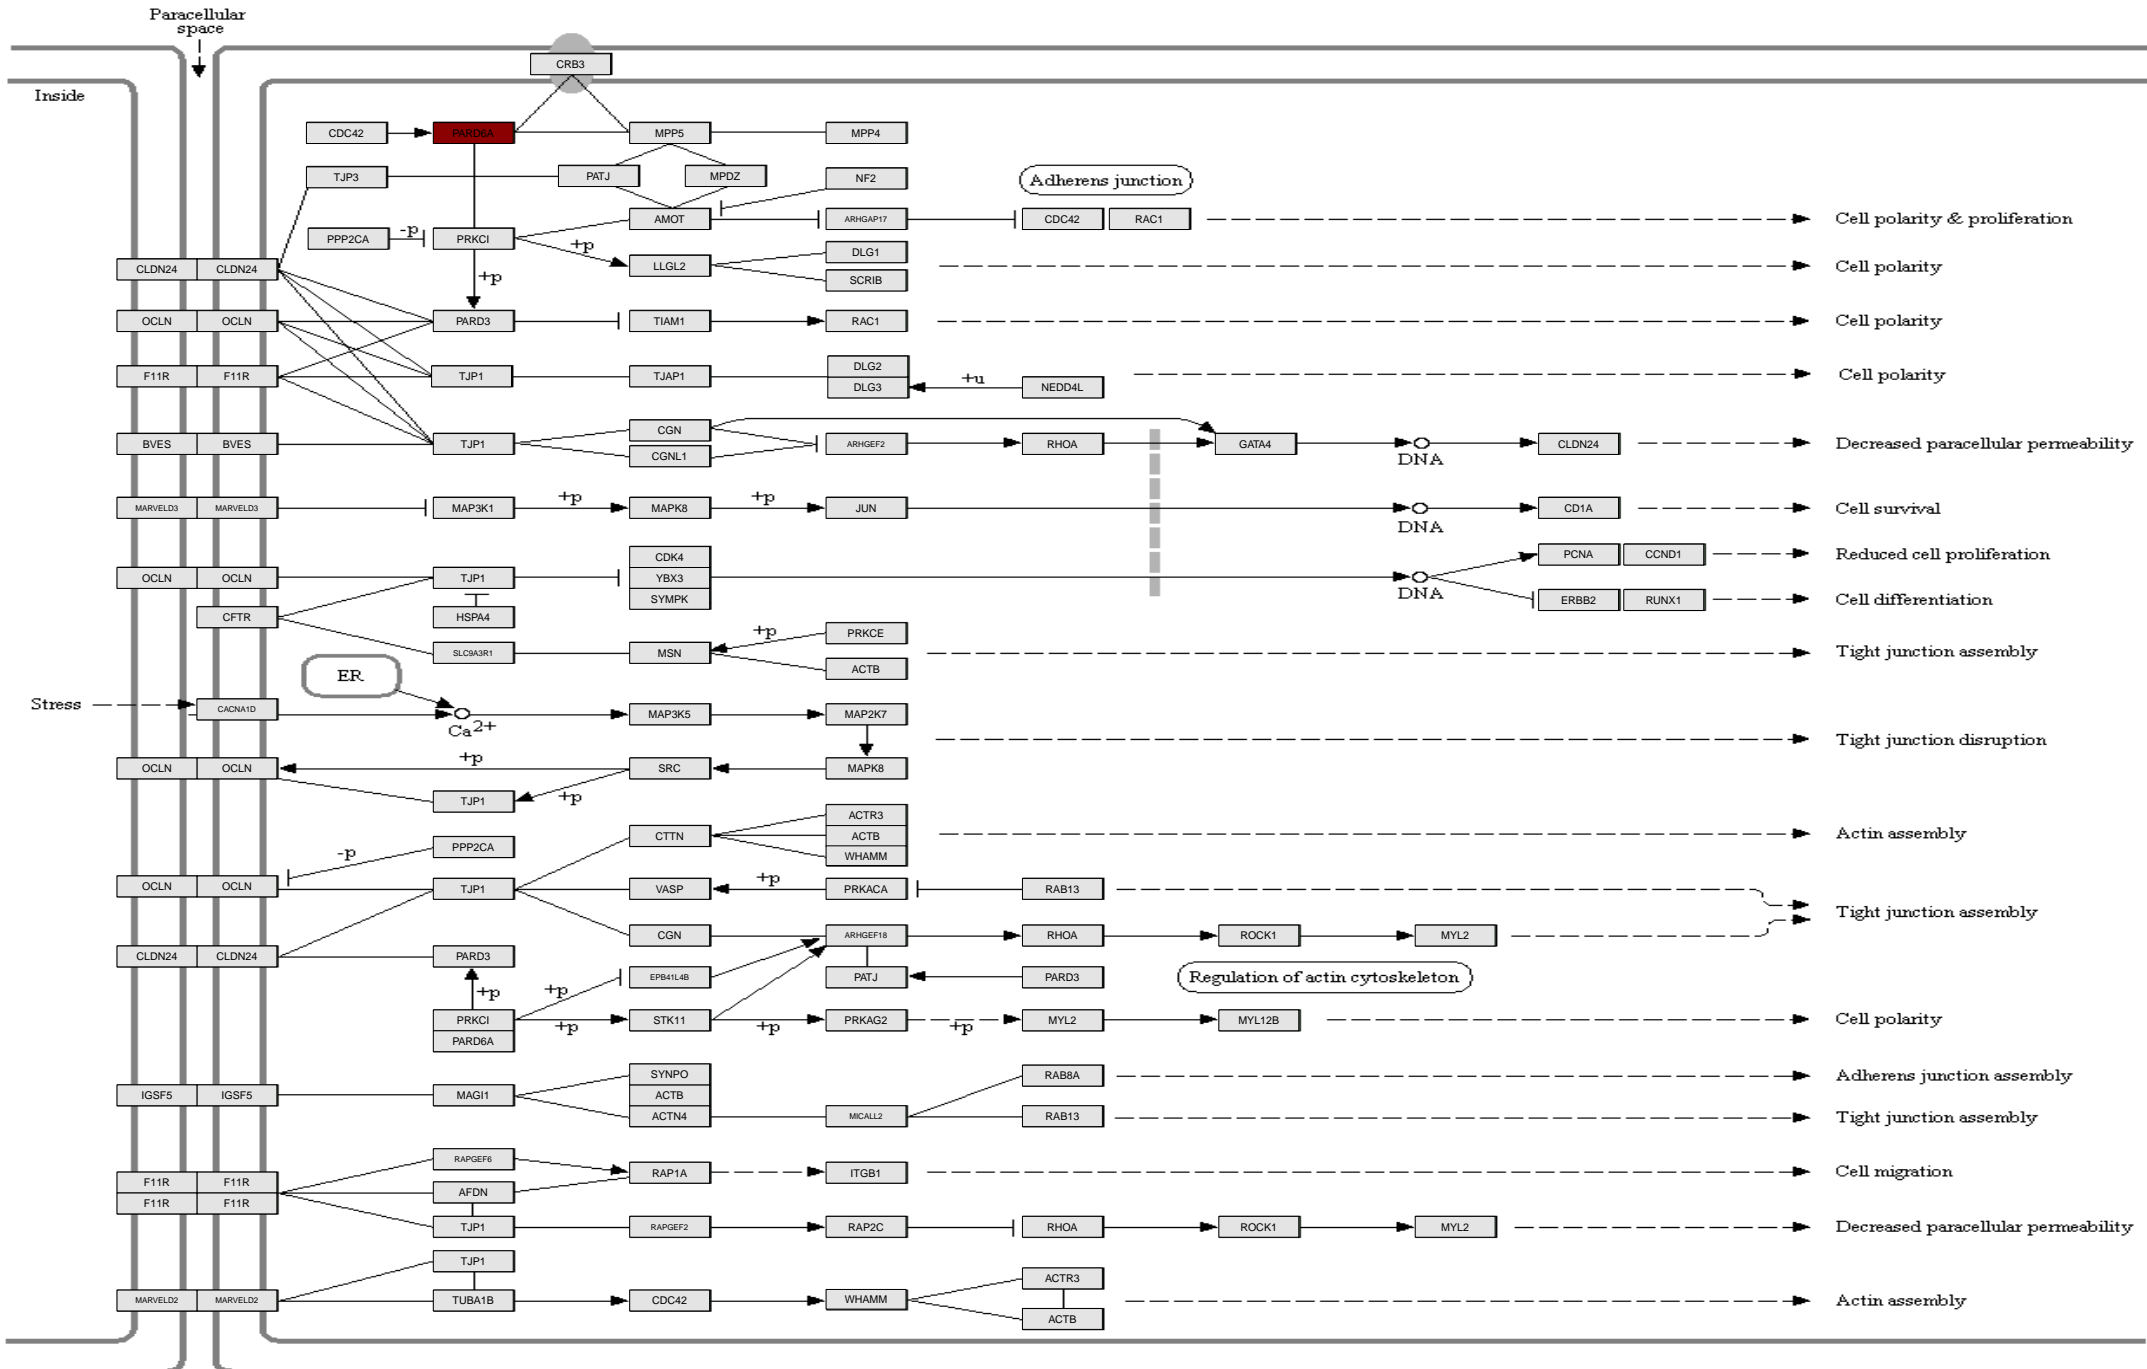

Tight junction group 1

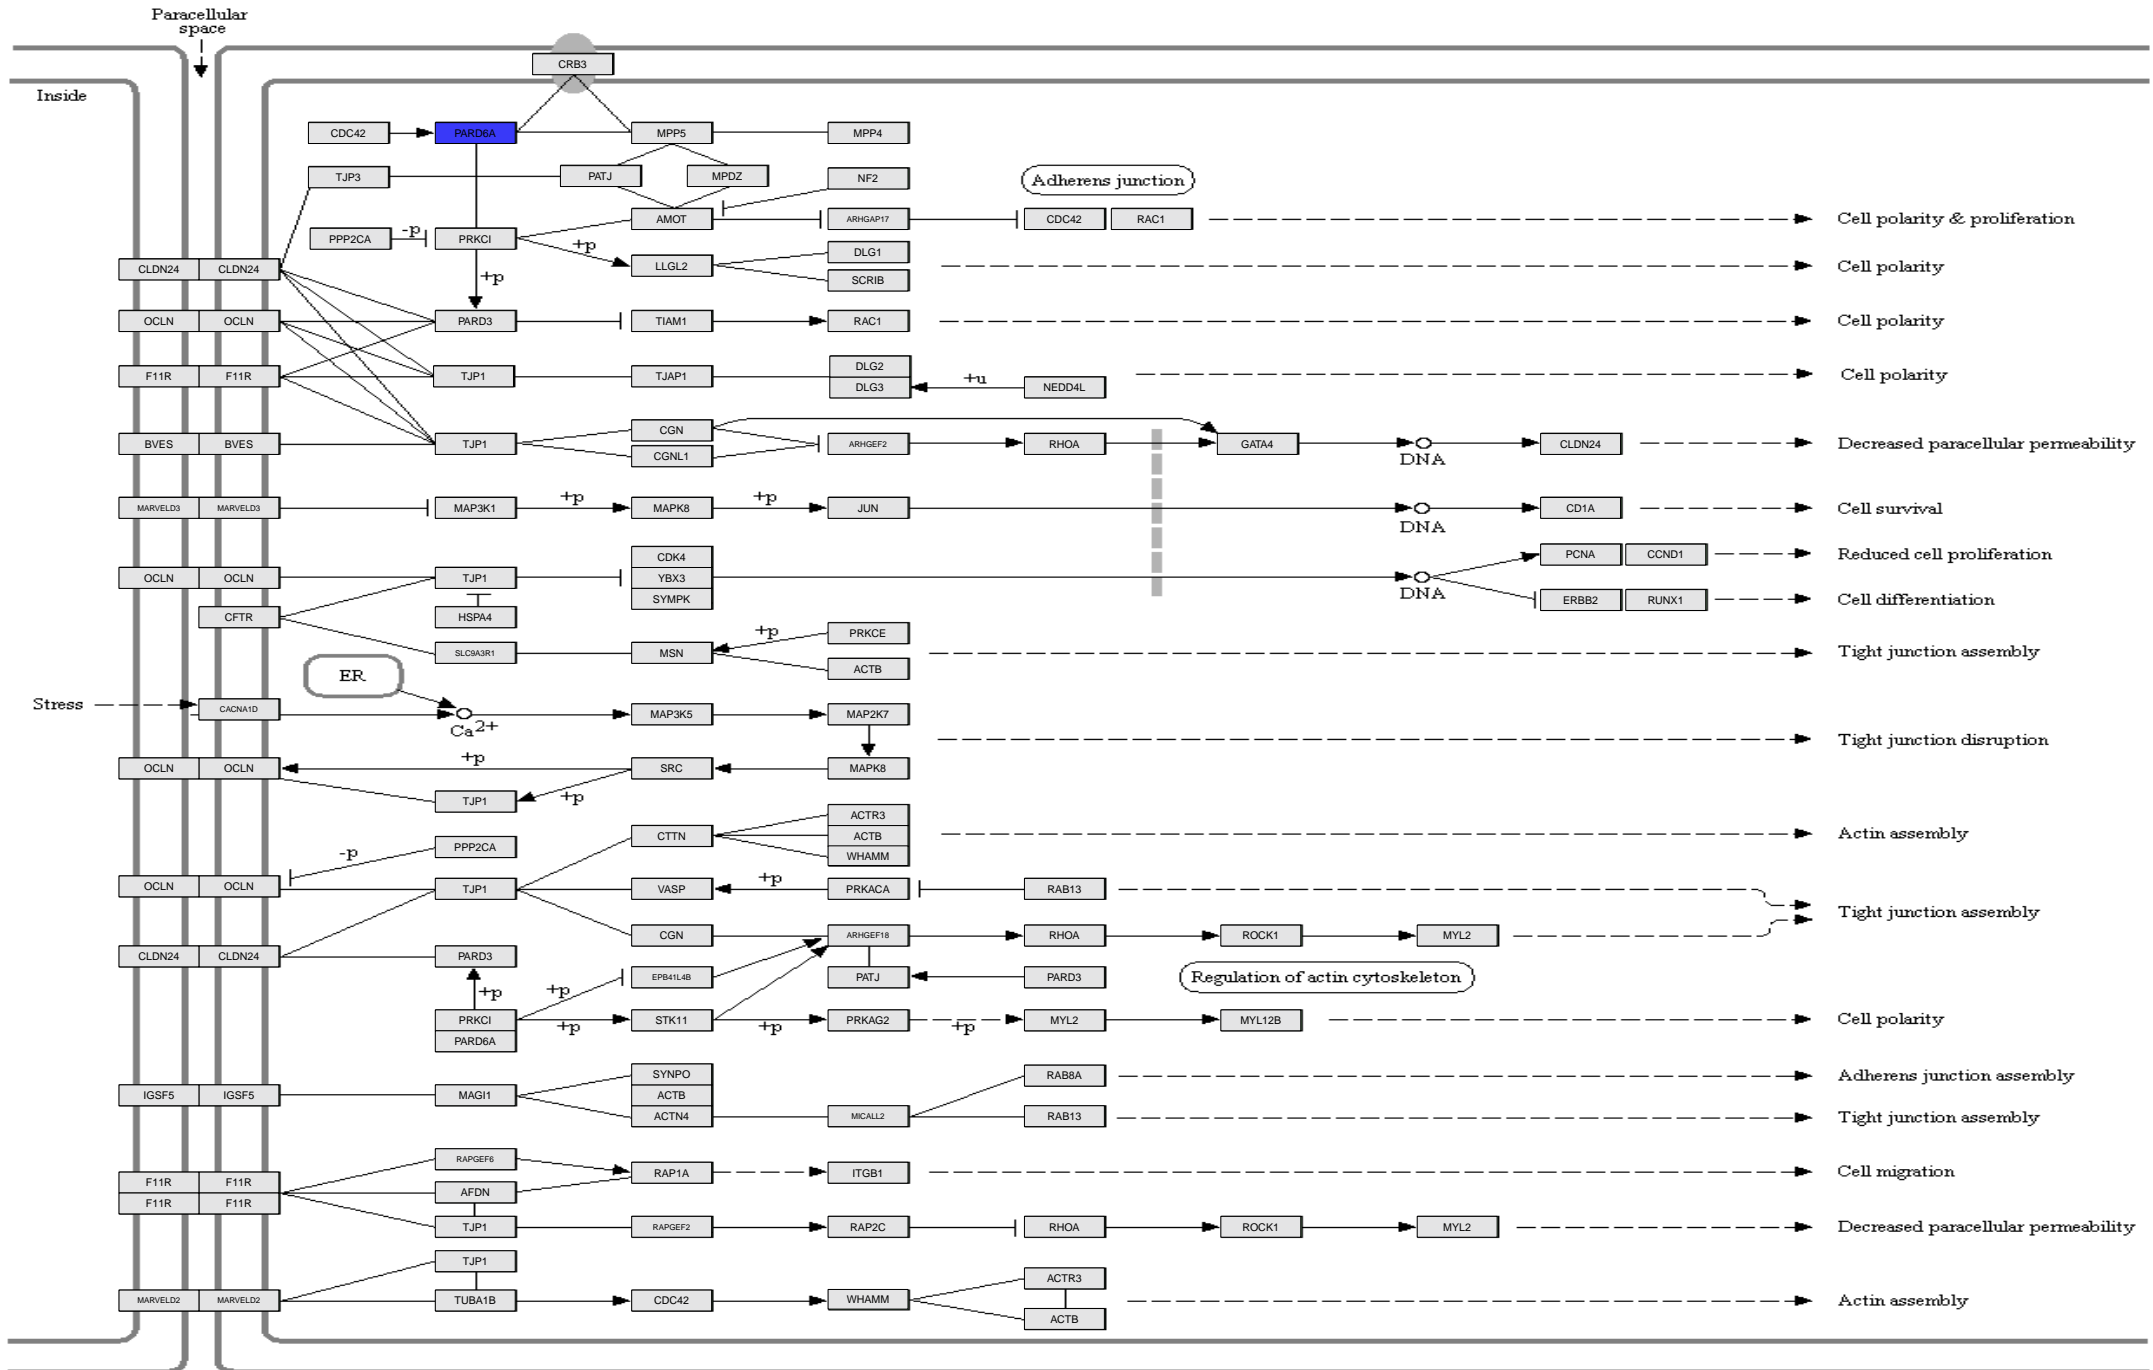

Tight junction group 2

Tight junction group 3

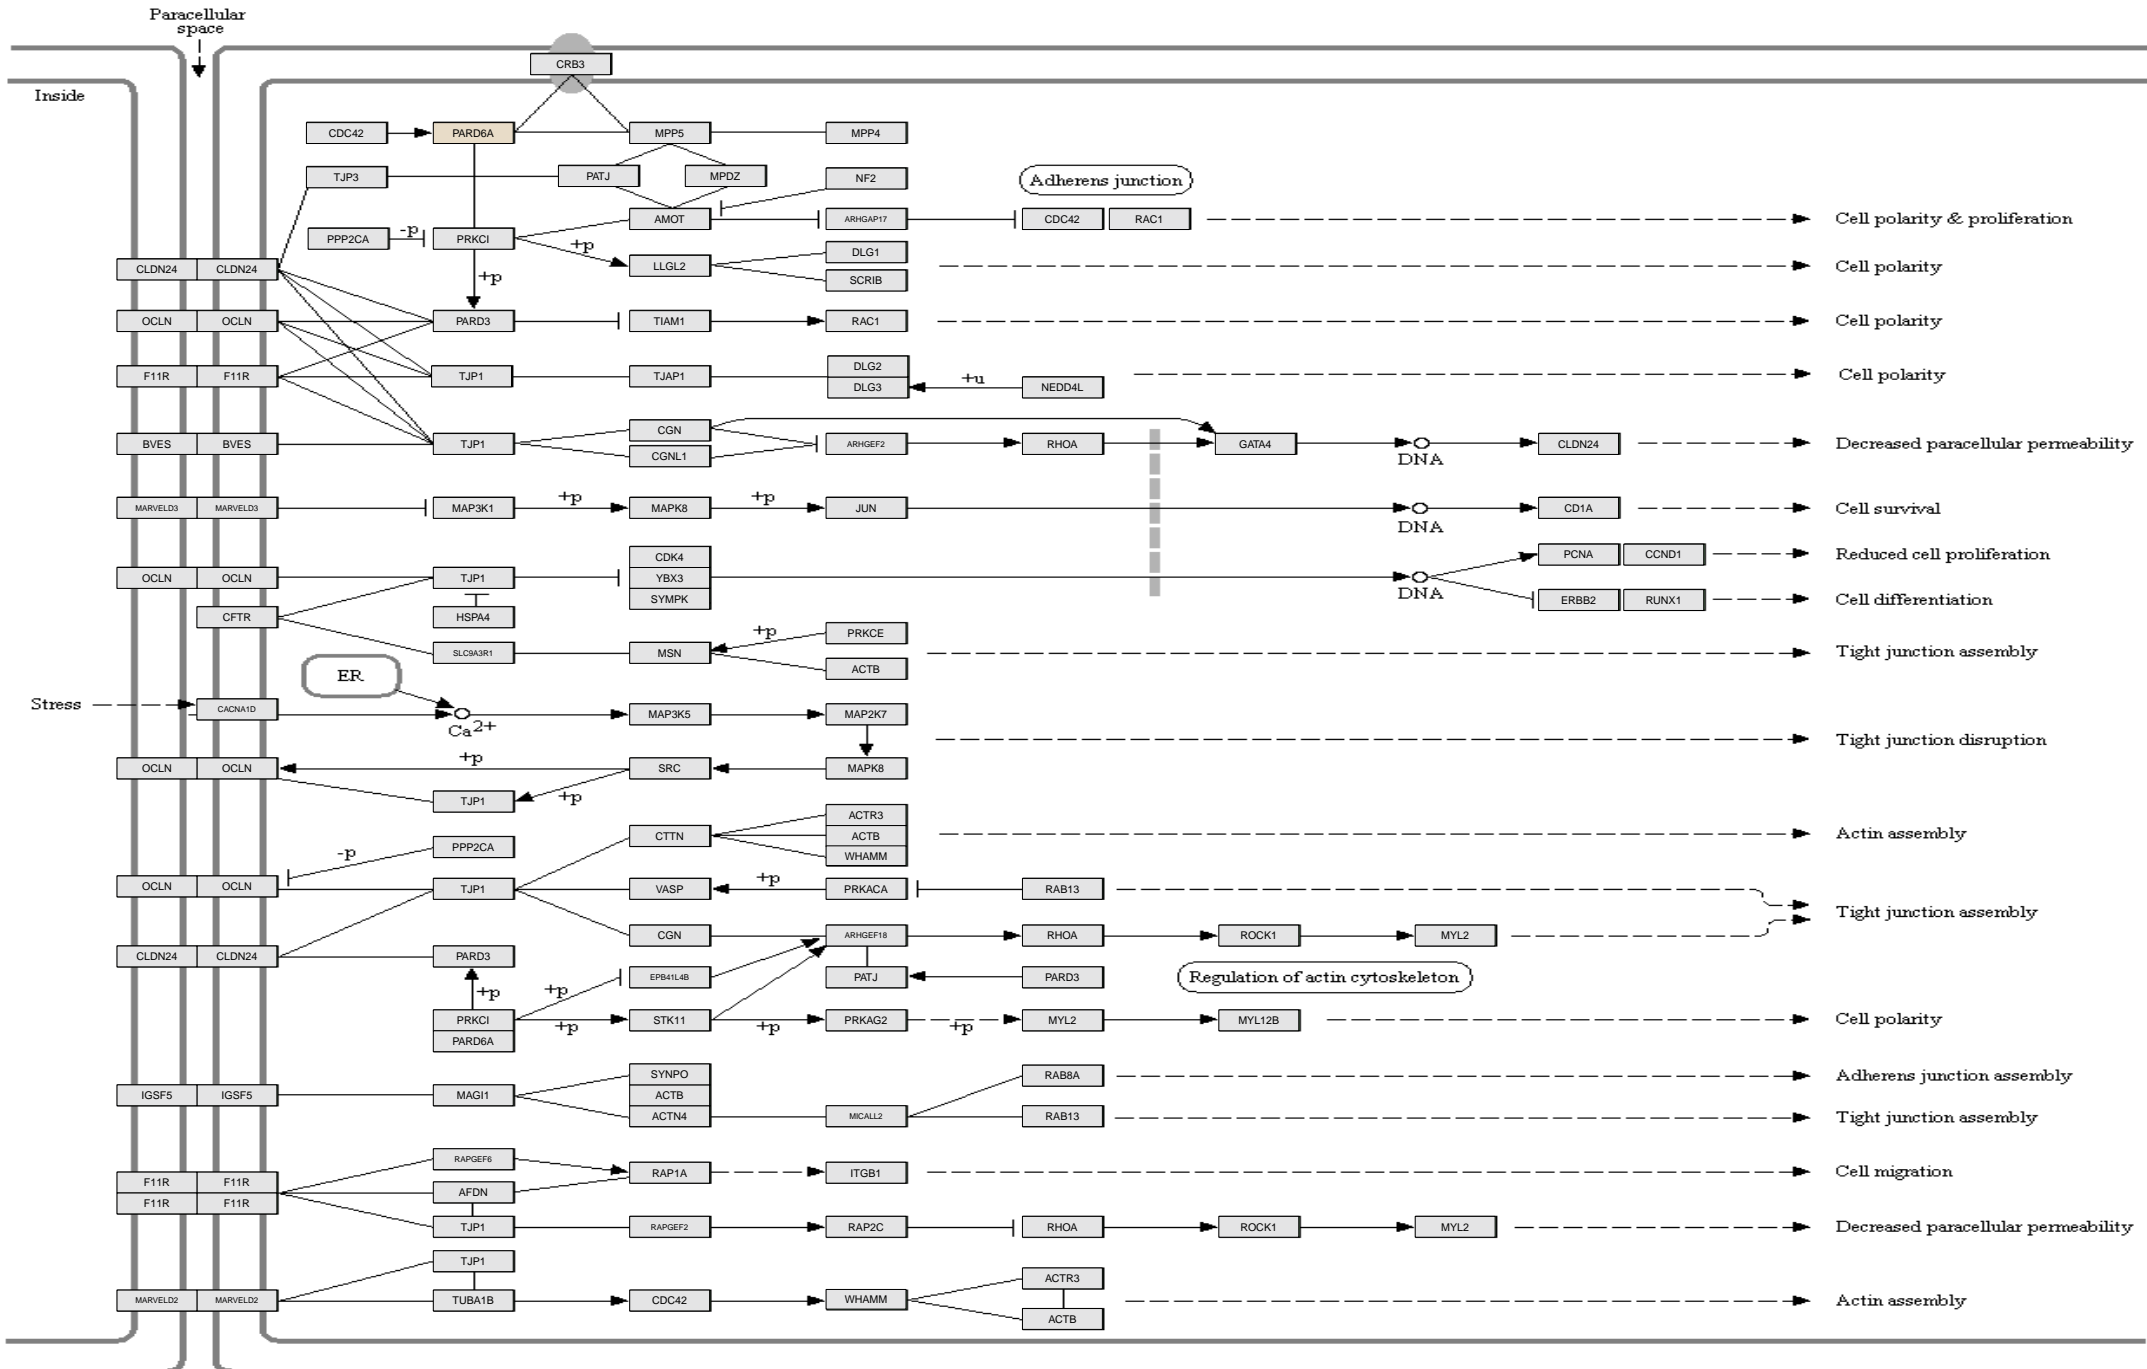

Tight junction group 4

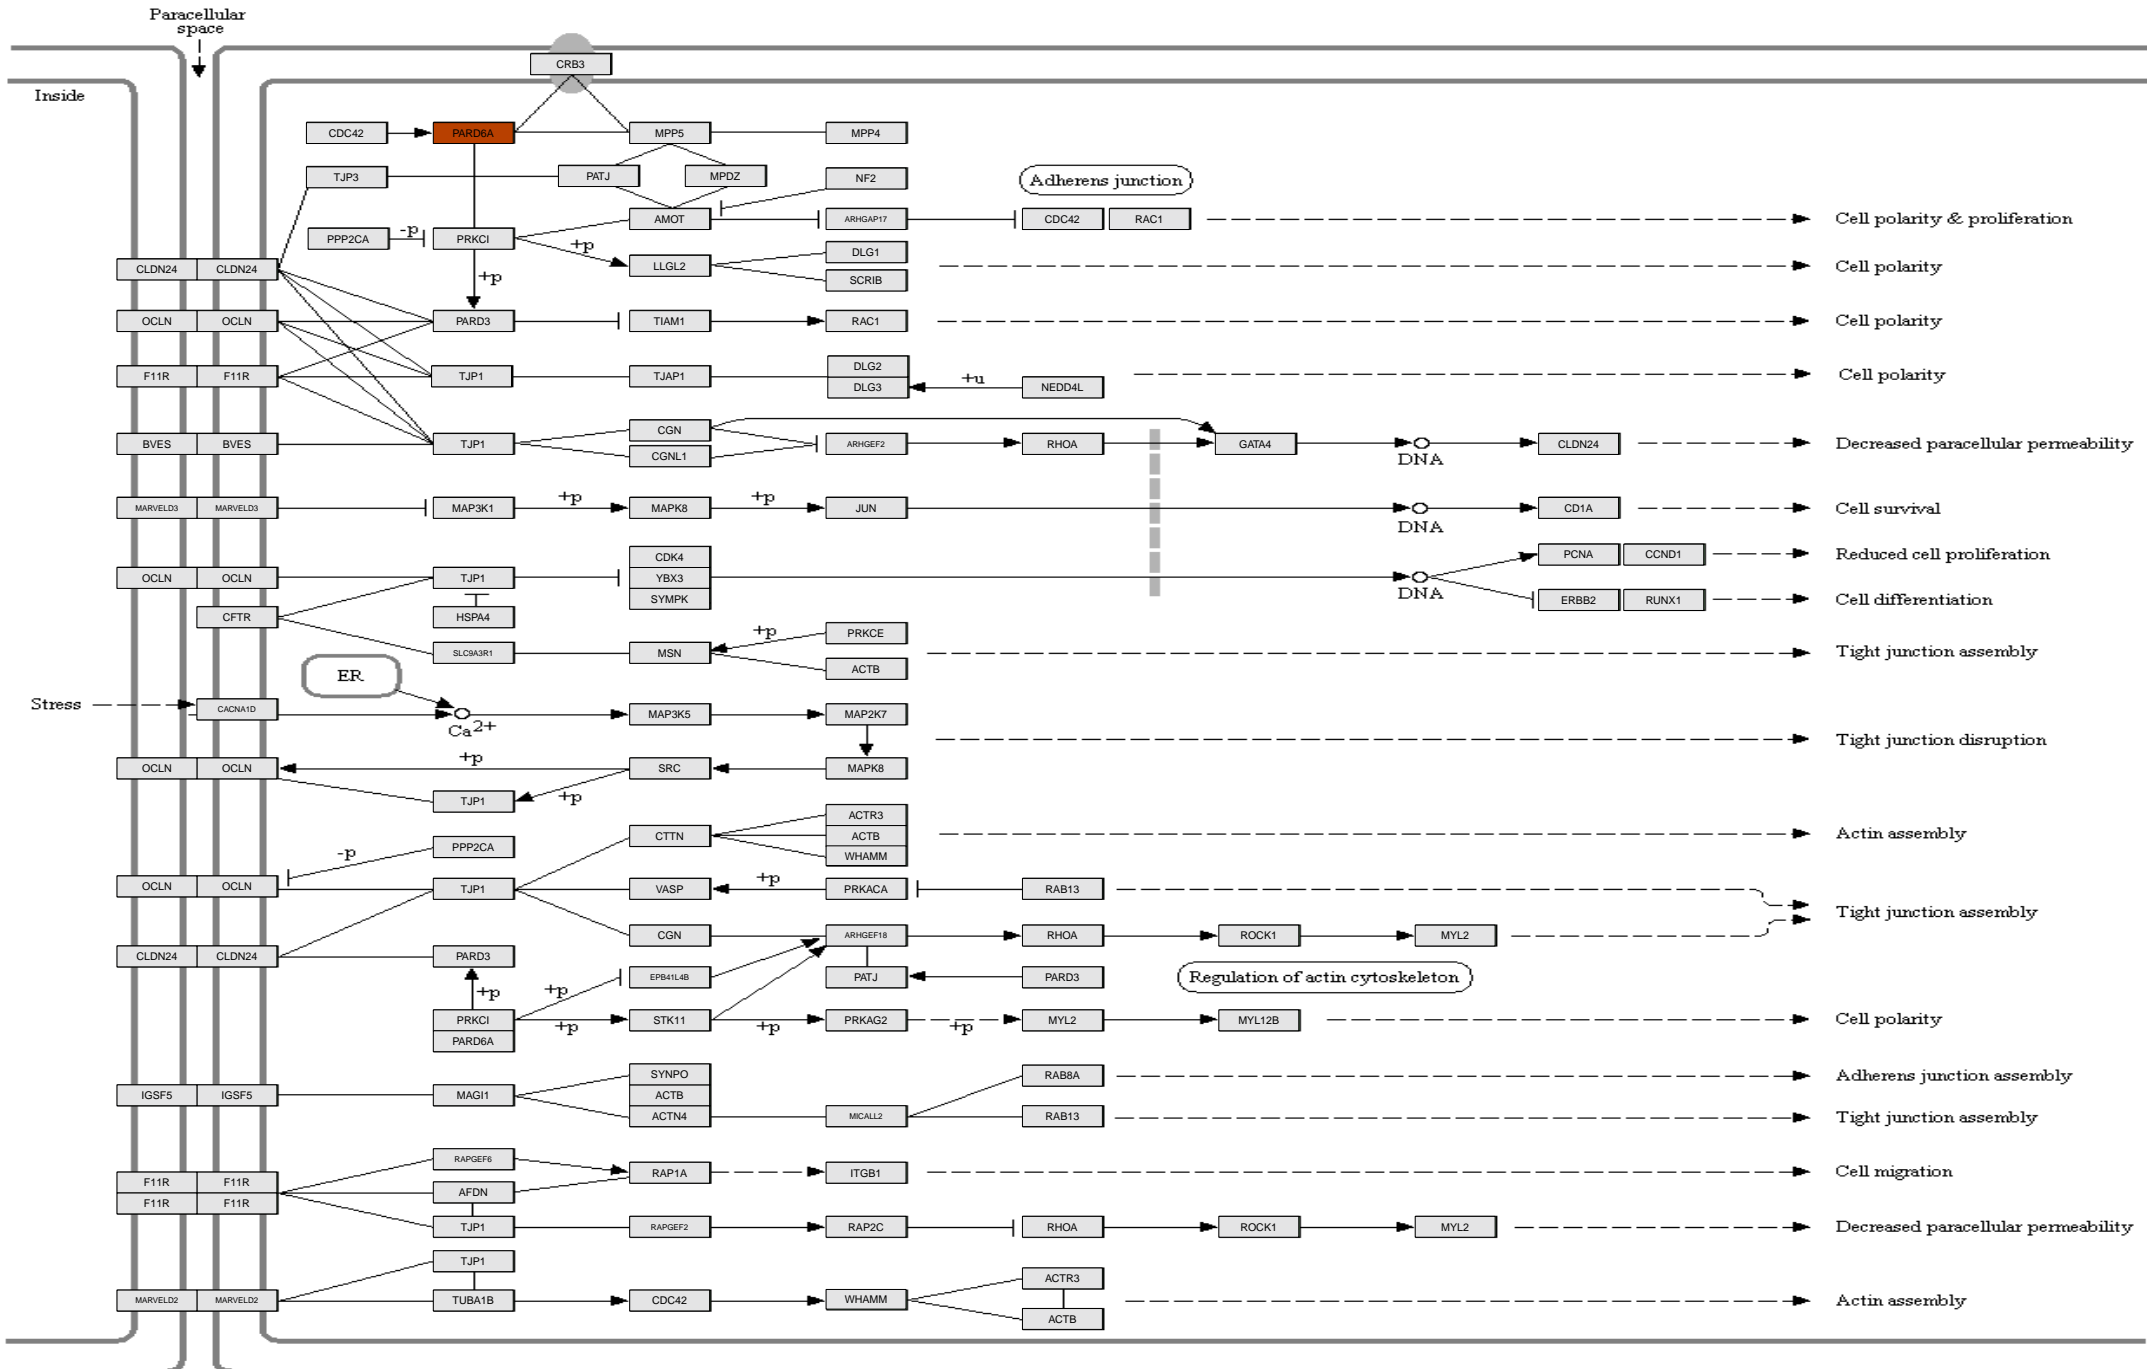

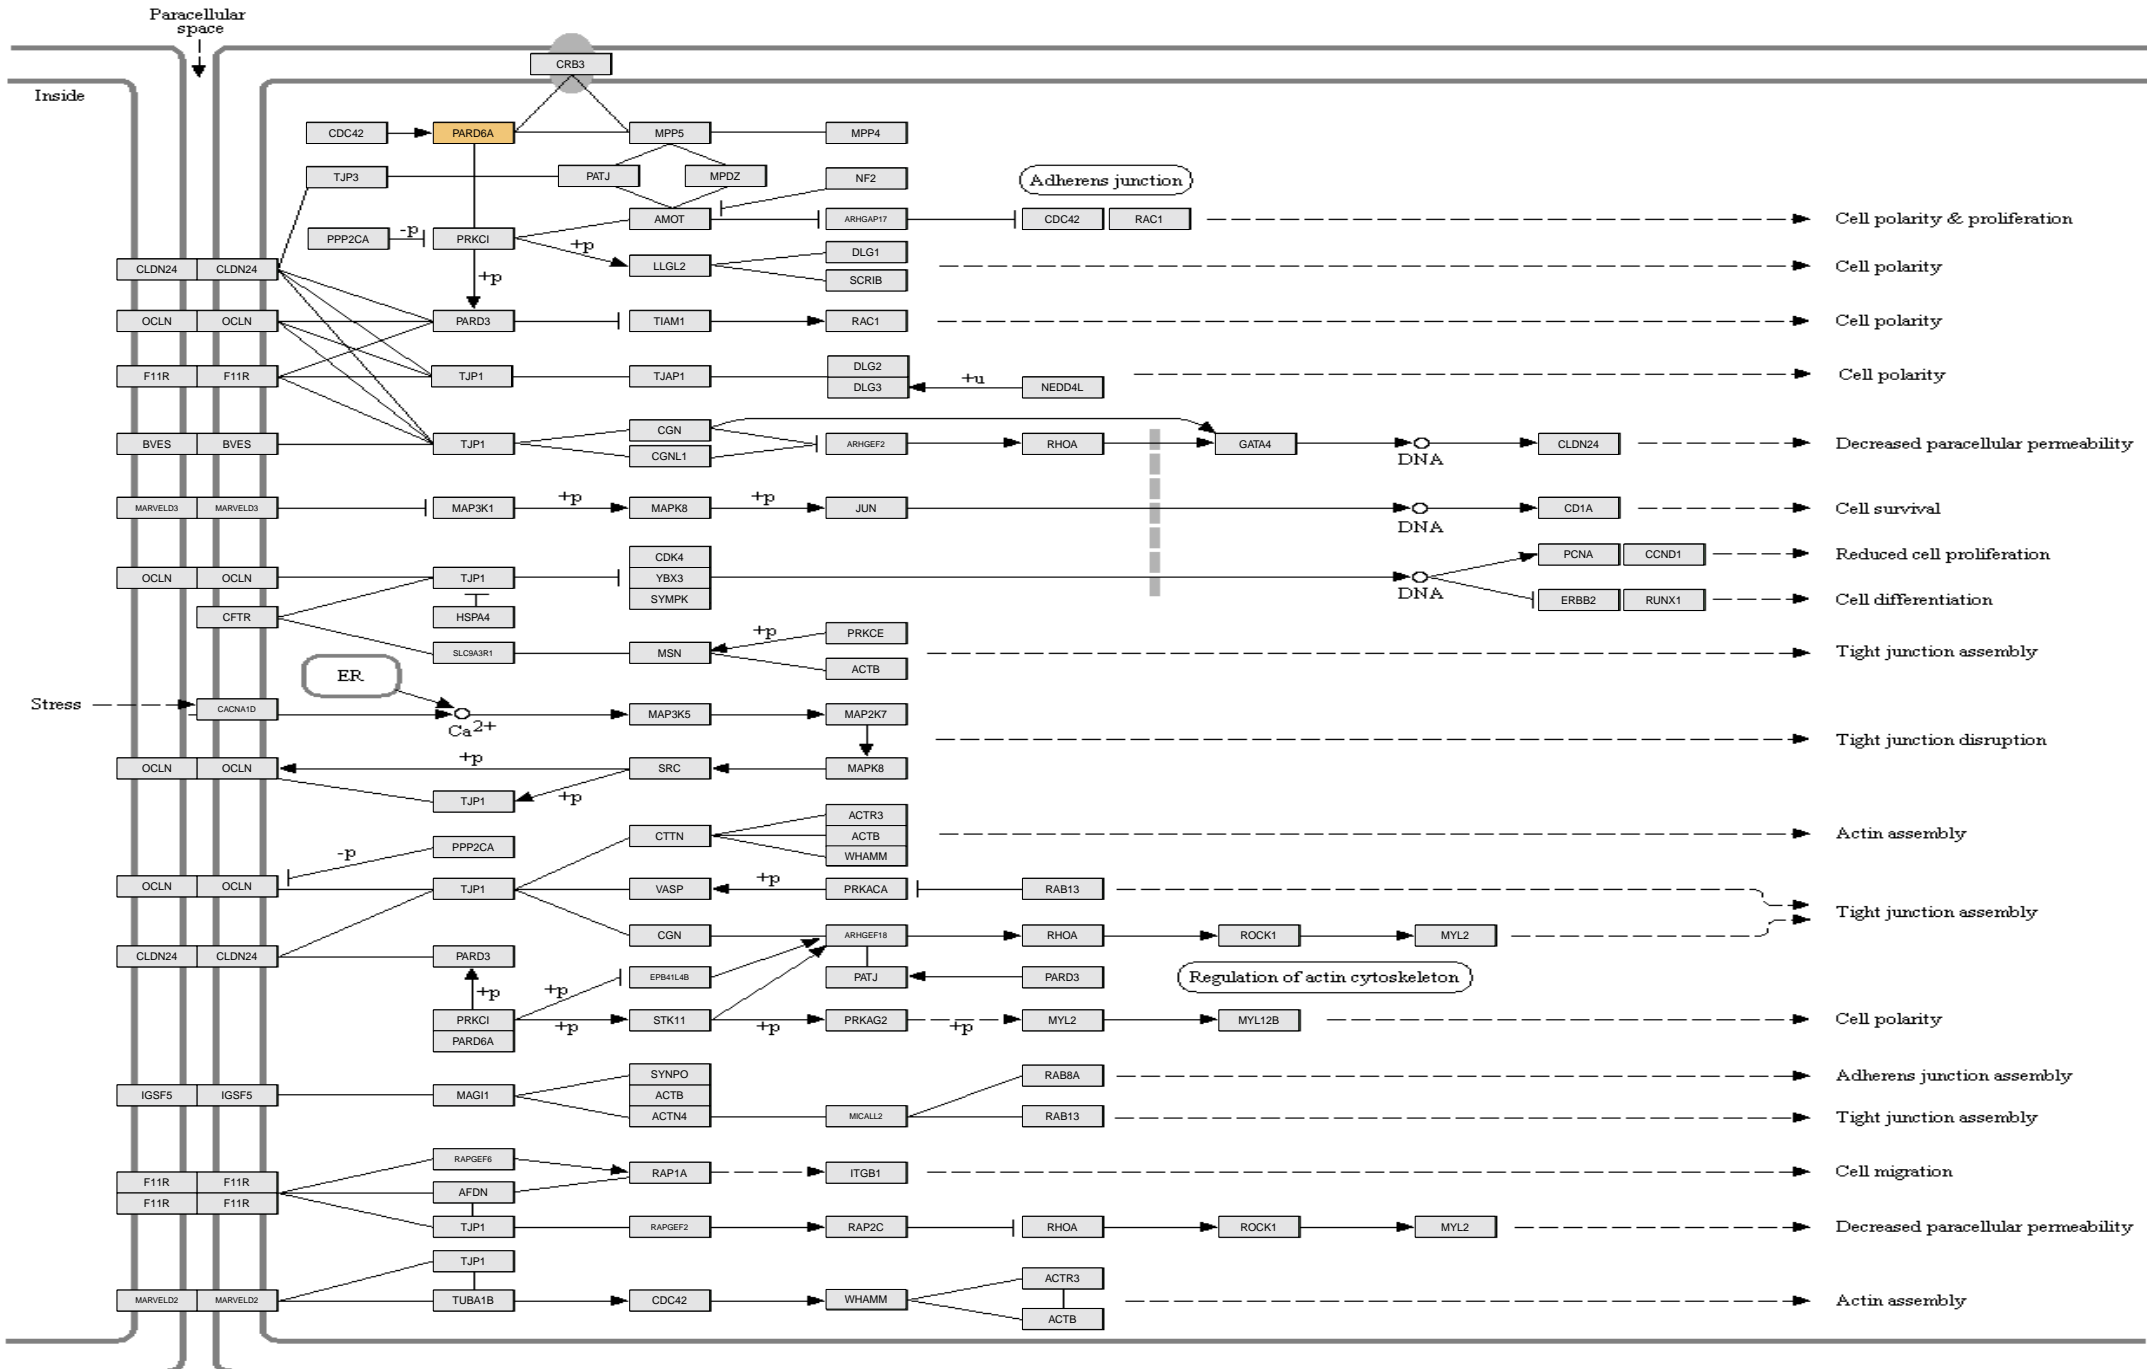

Tight junction group 5

Tight junction group 6

Tight junction group 7

Tight junction group 8
