

Valine, leucine and isoleucine degradation

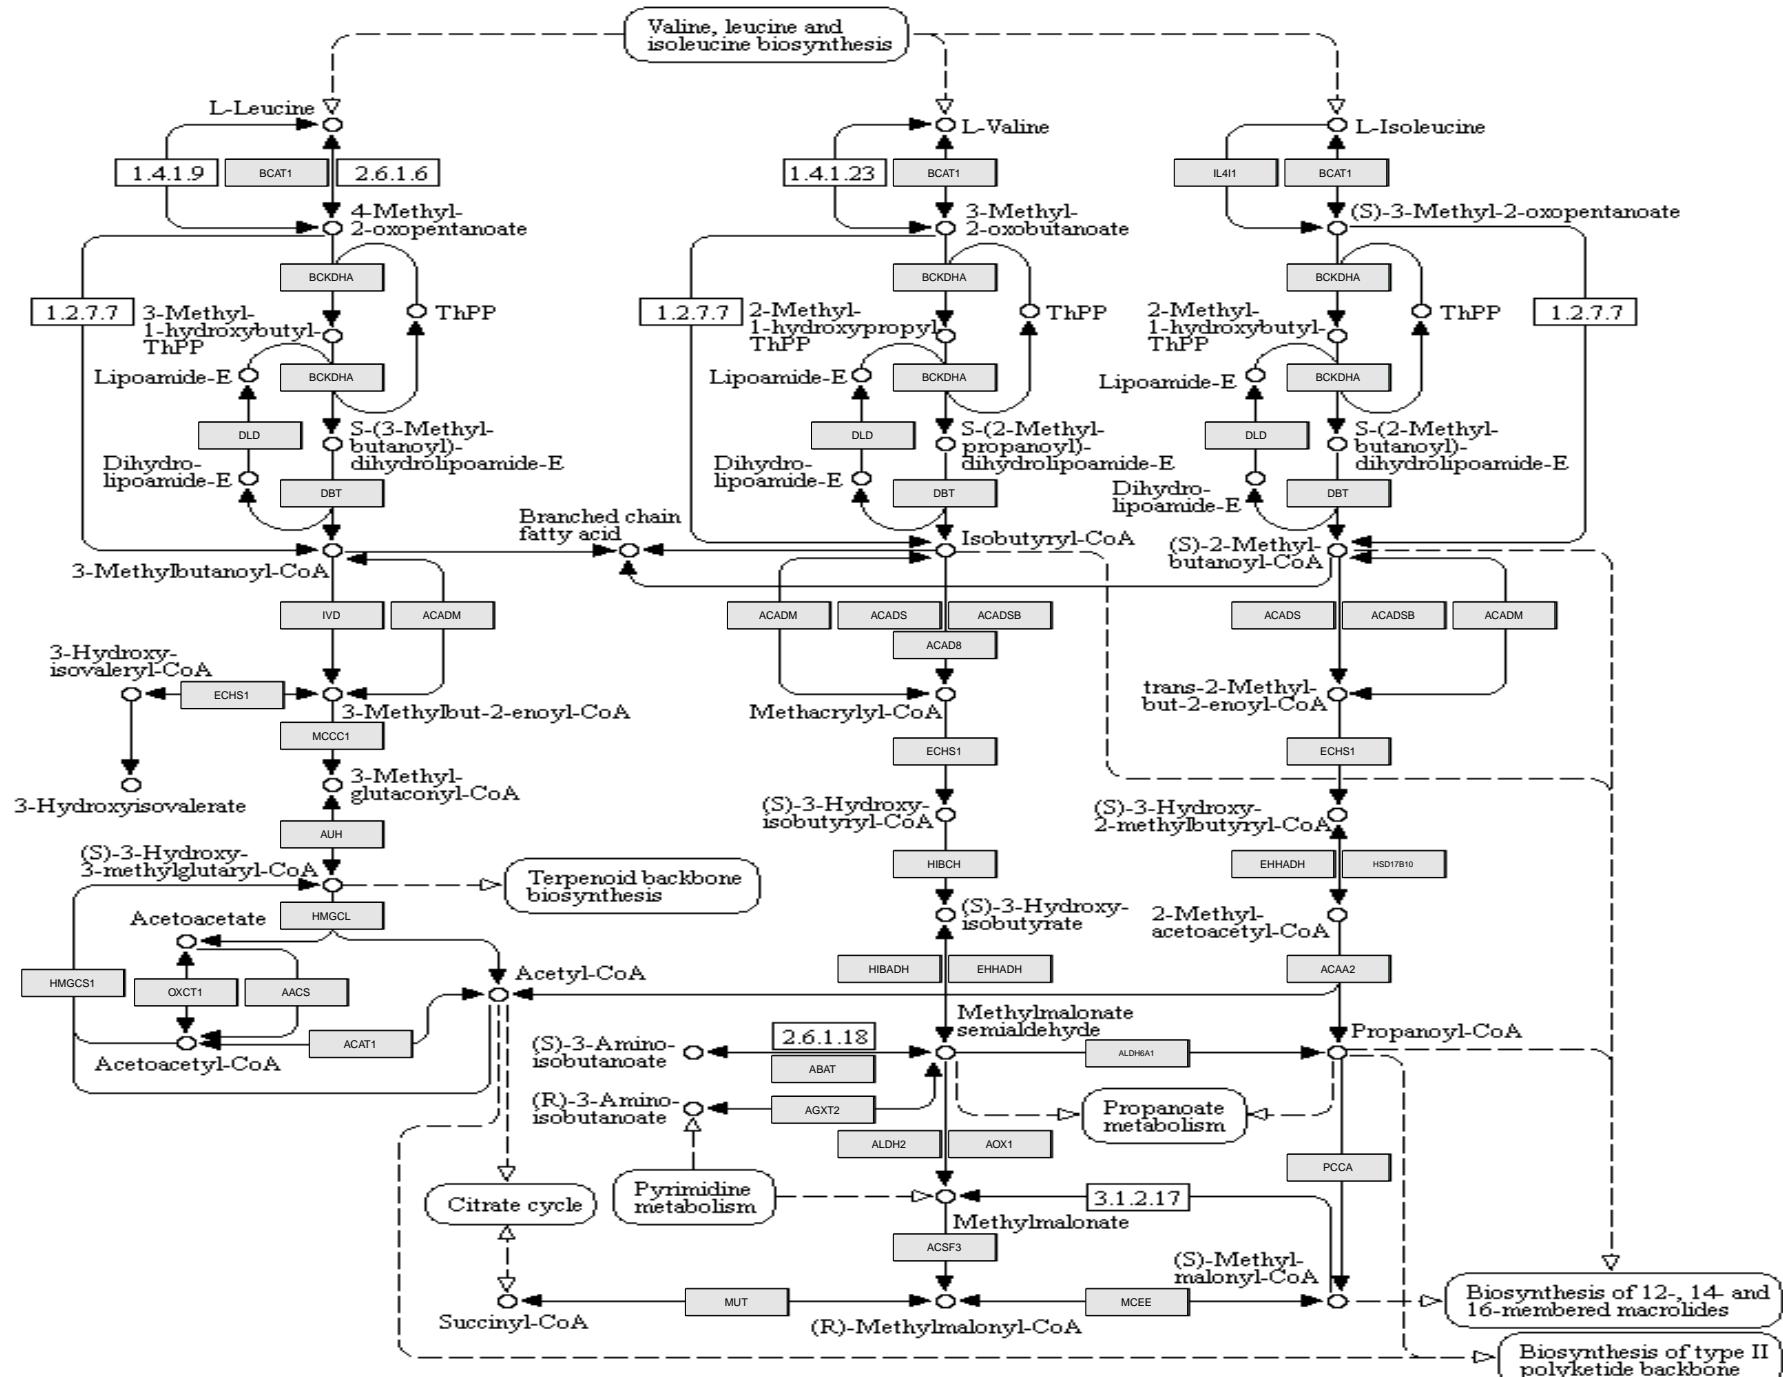

all genes

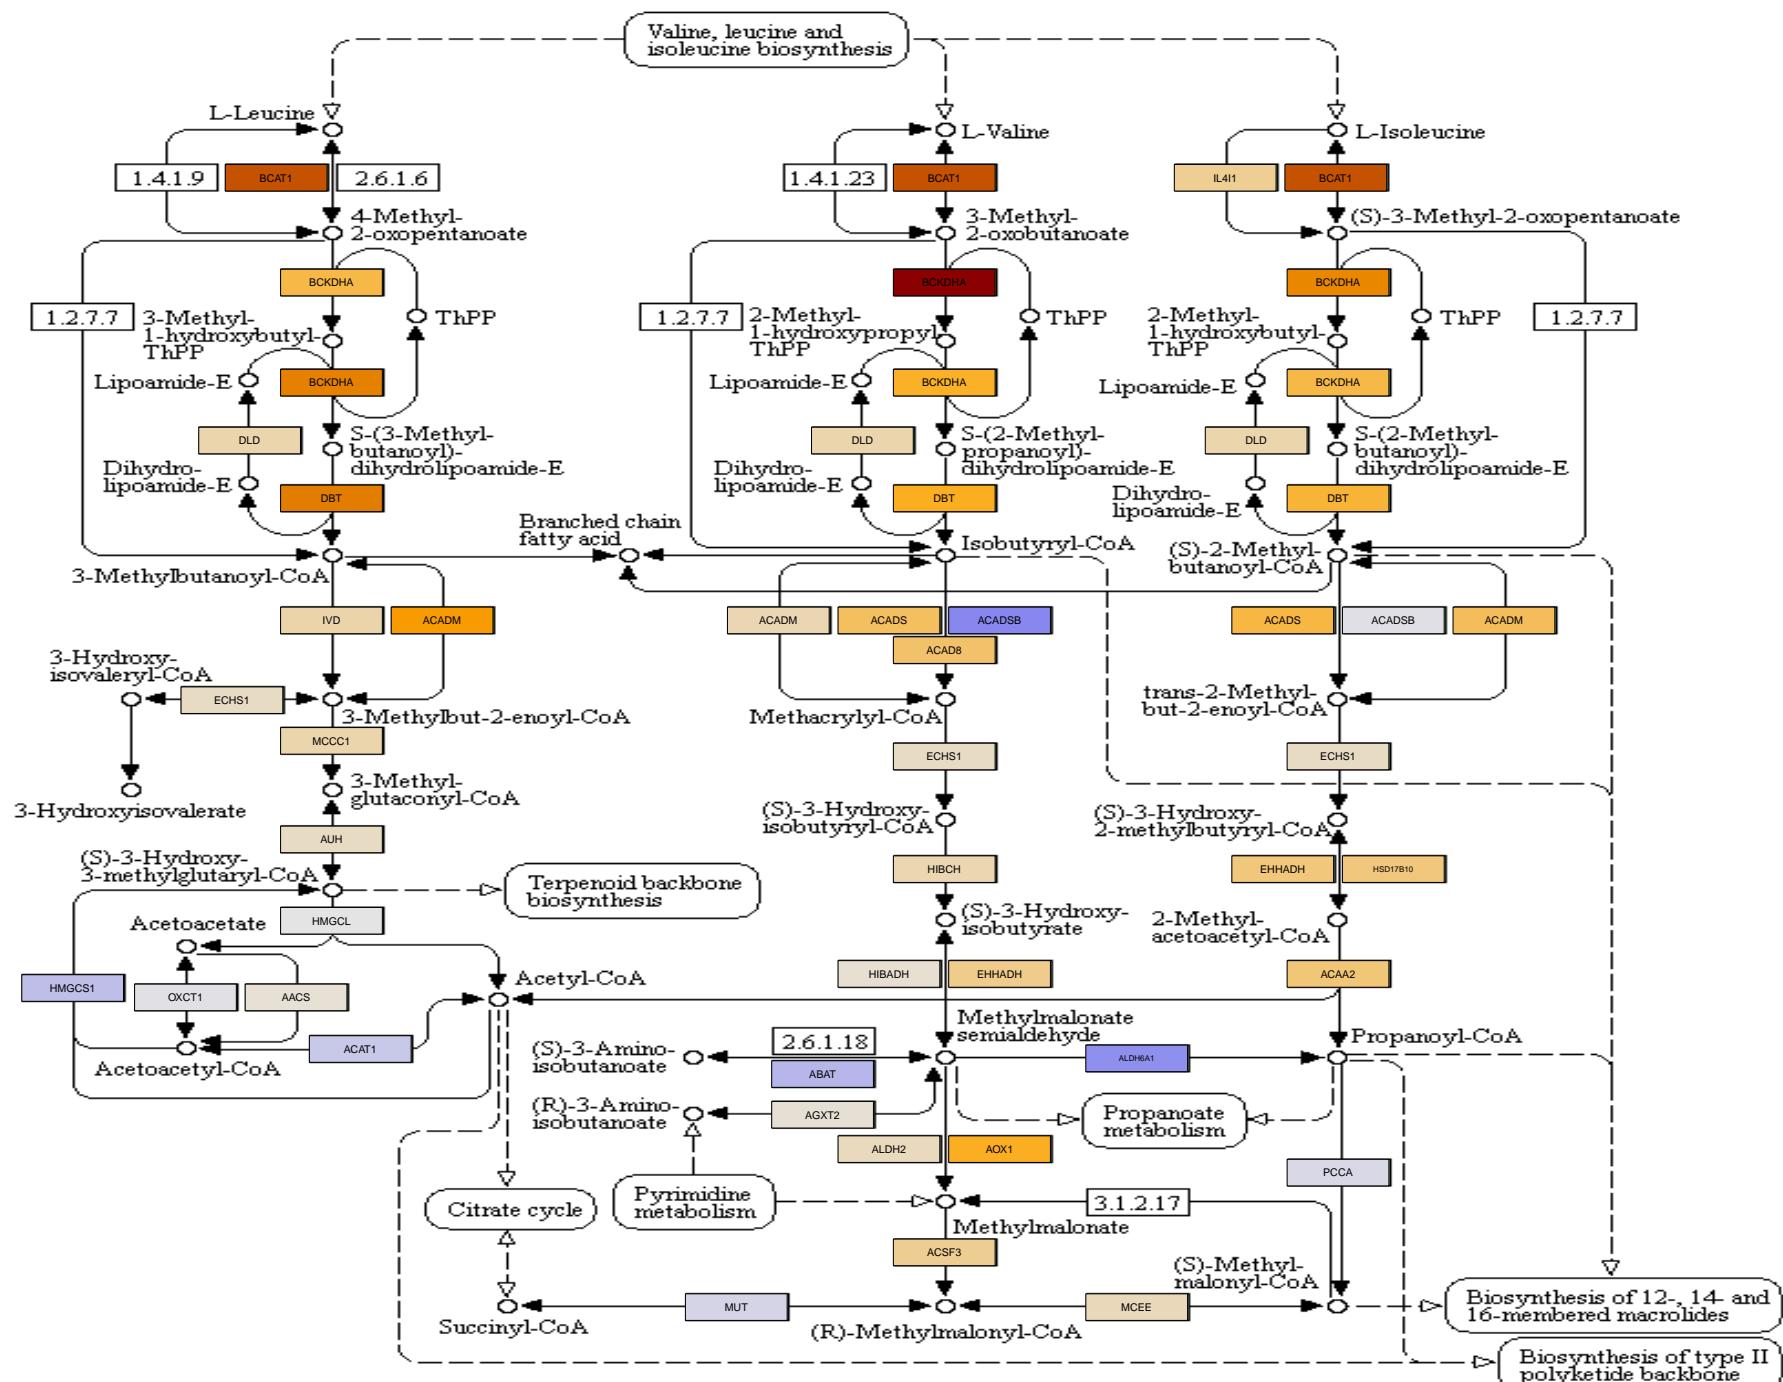

Valine, leucine and isoleucine degradation
genes with data

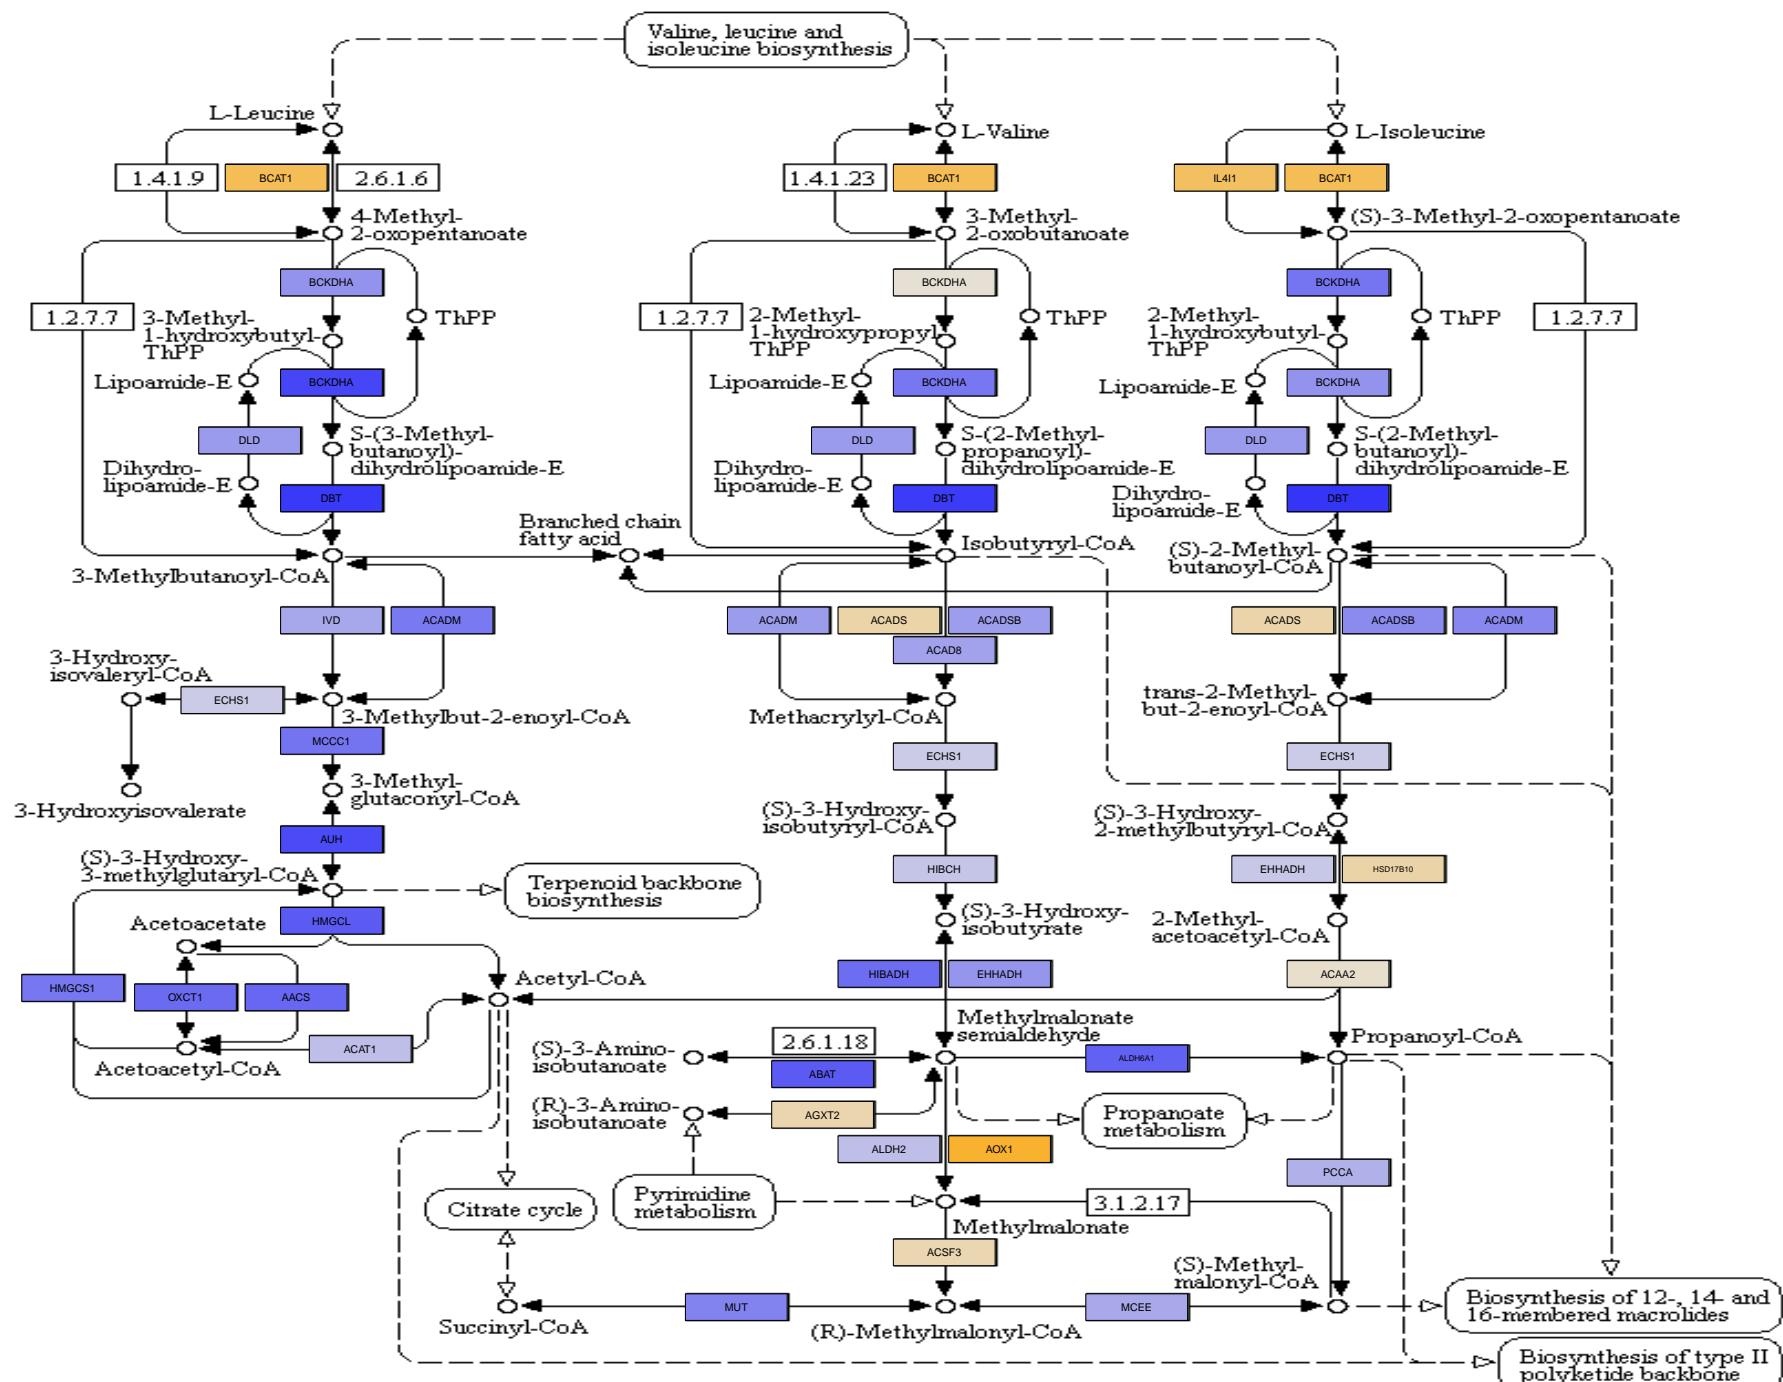

Valine, leucine and isoleucine degradation sink nodes

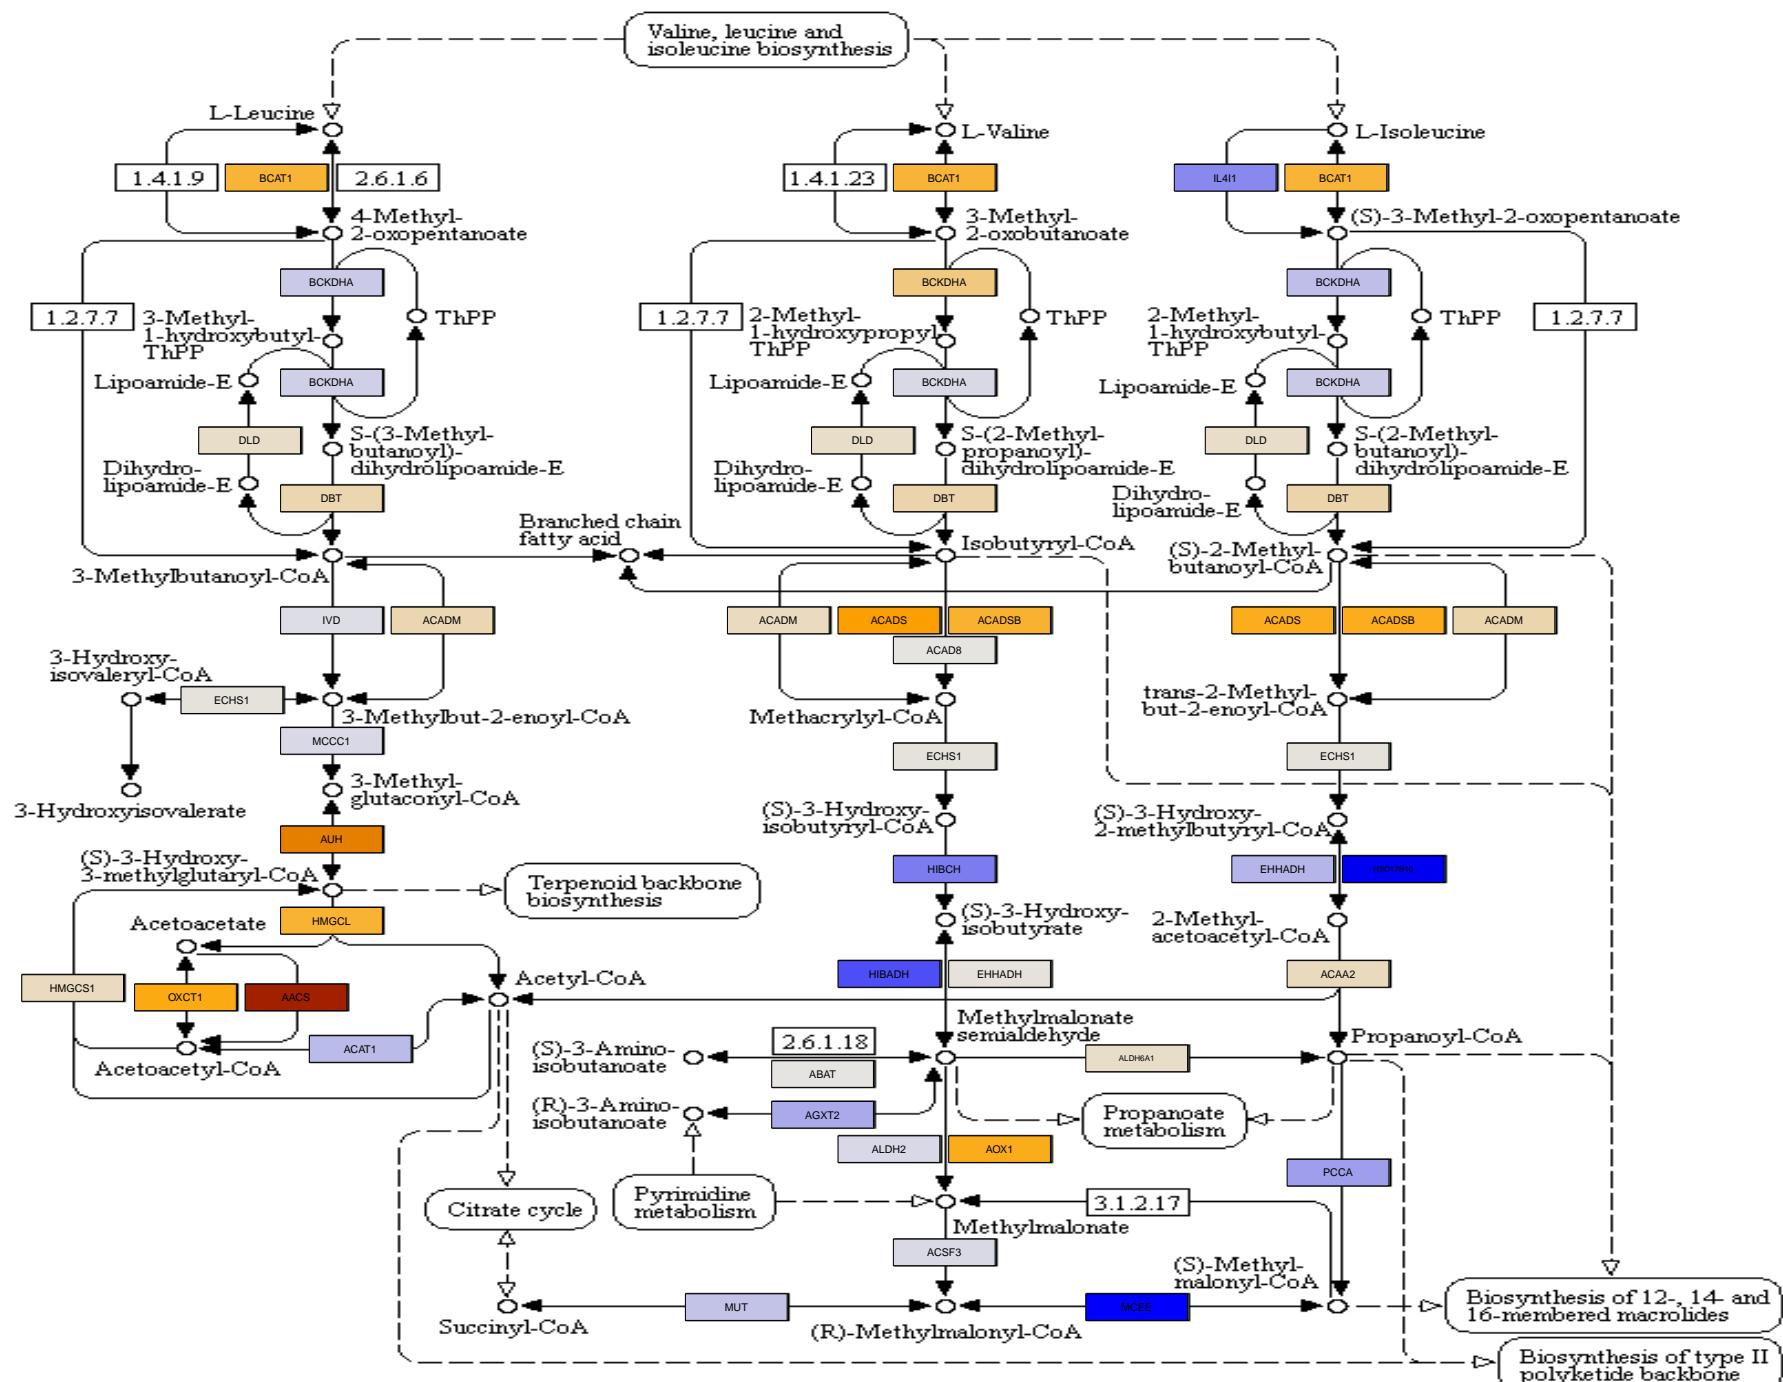

Valine, leucine and isoleucine degradation group 1

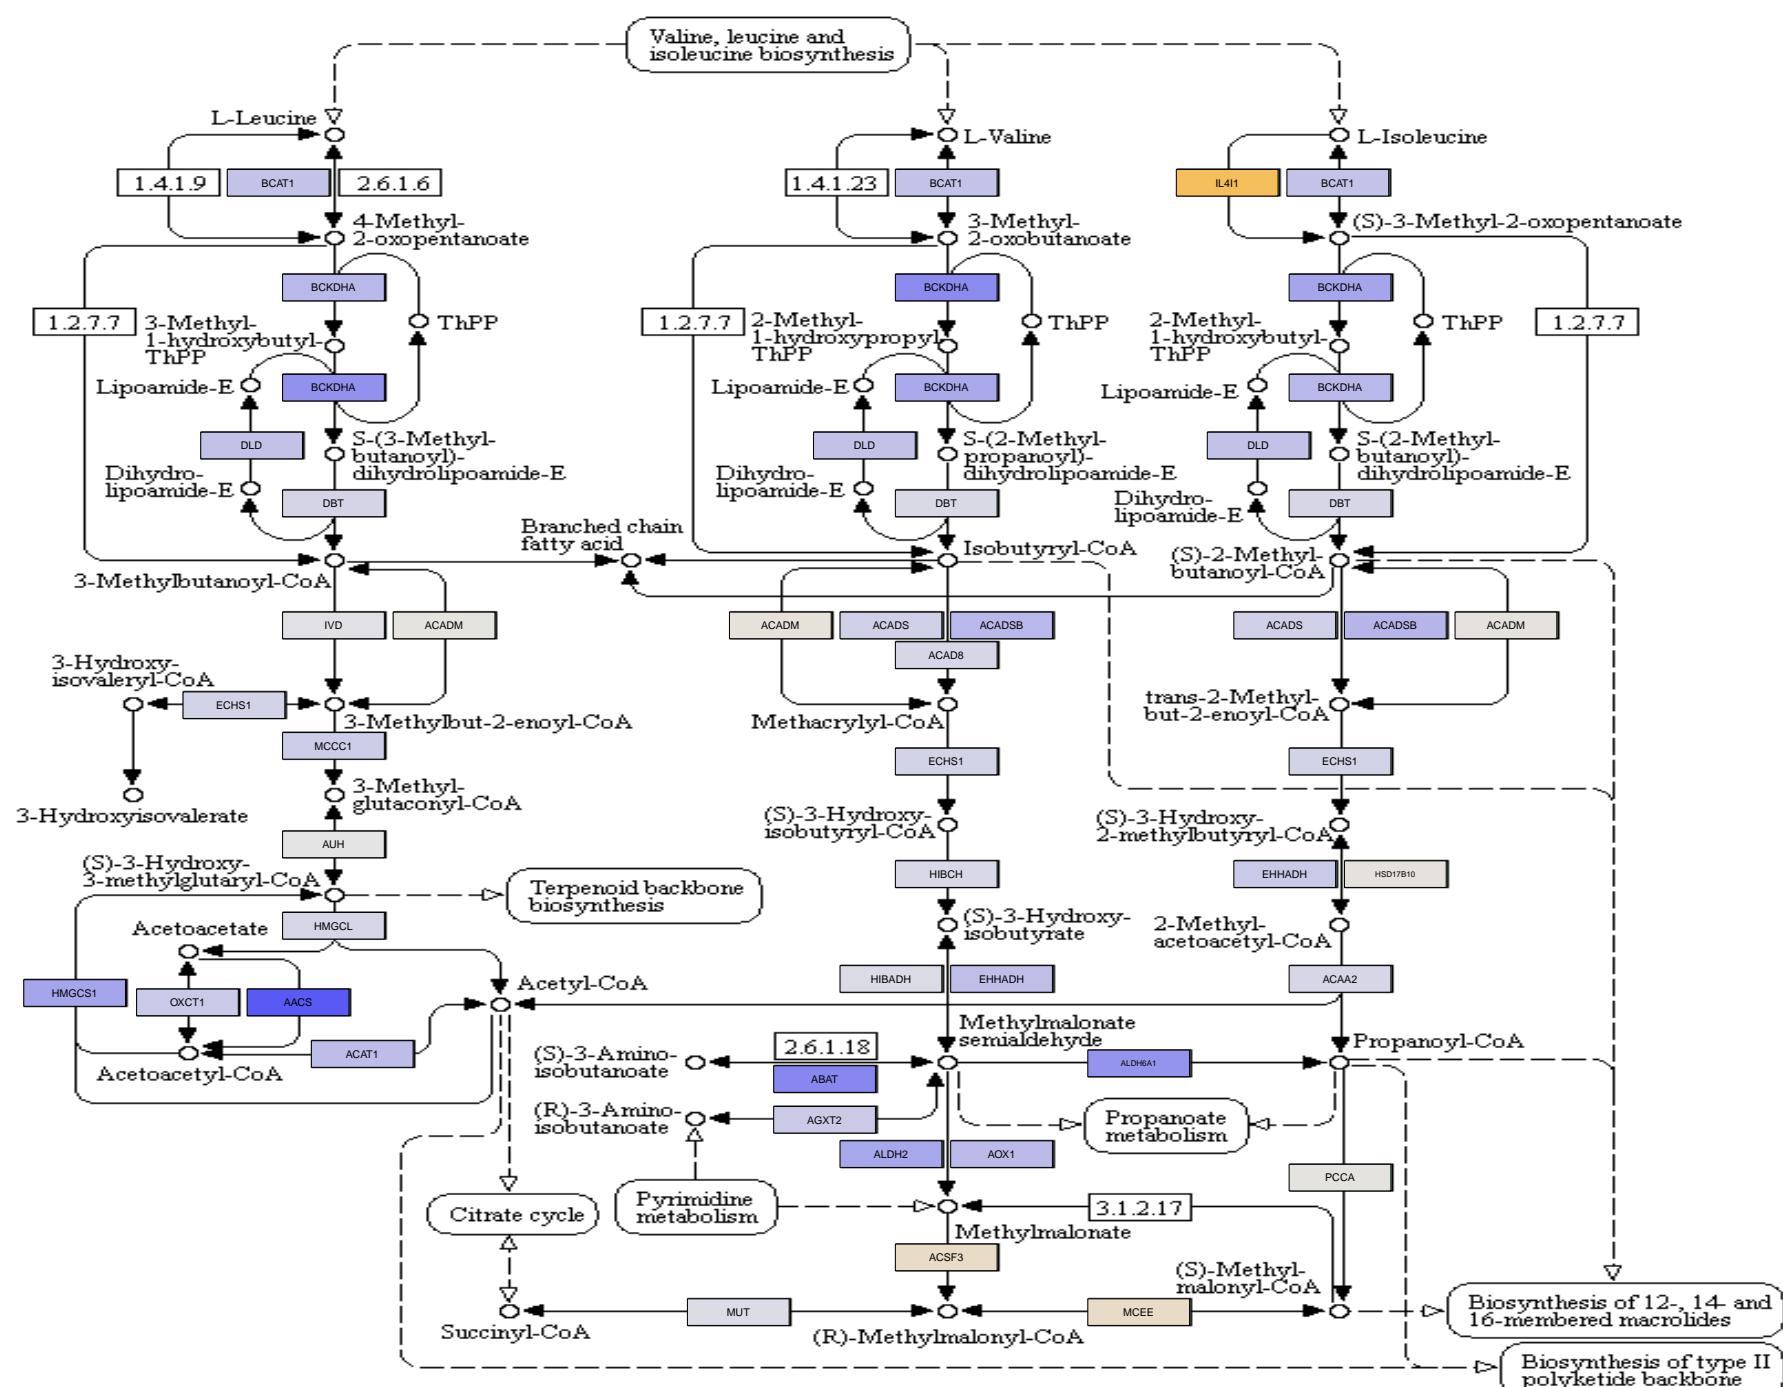

Valine, leucine and isoleucine degradation group 2

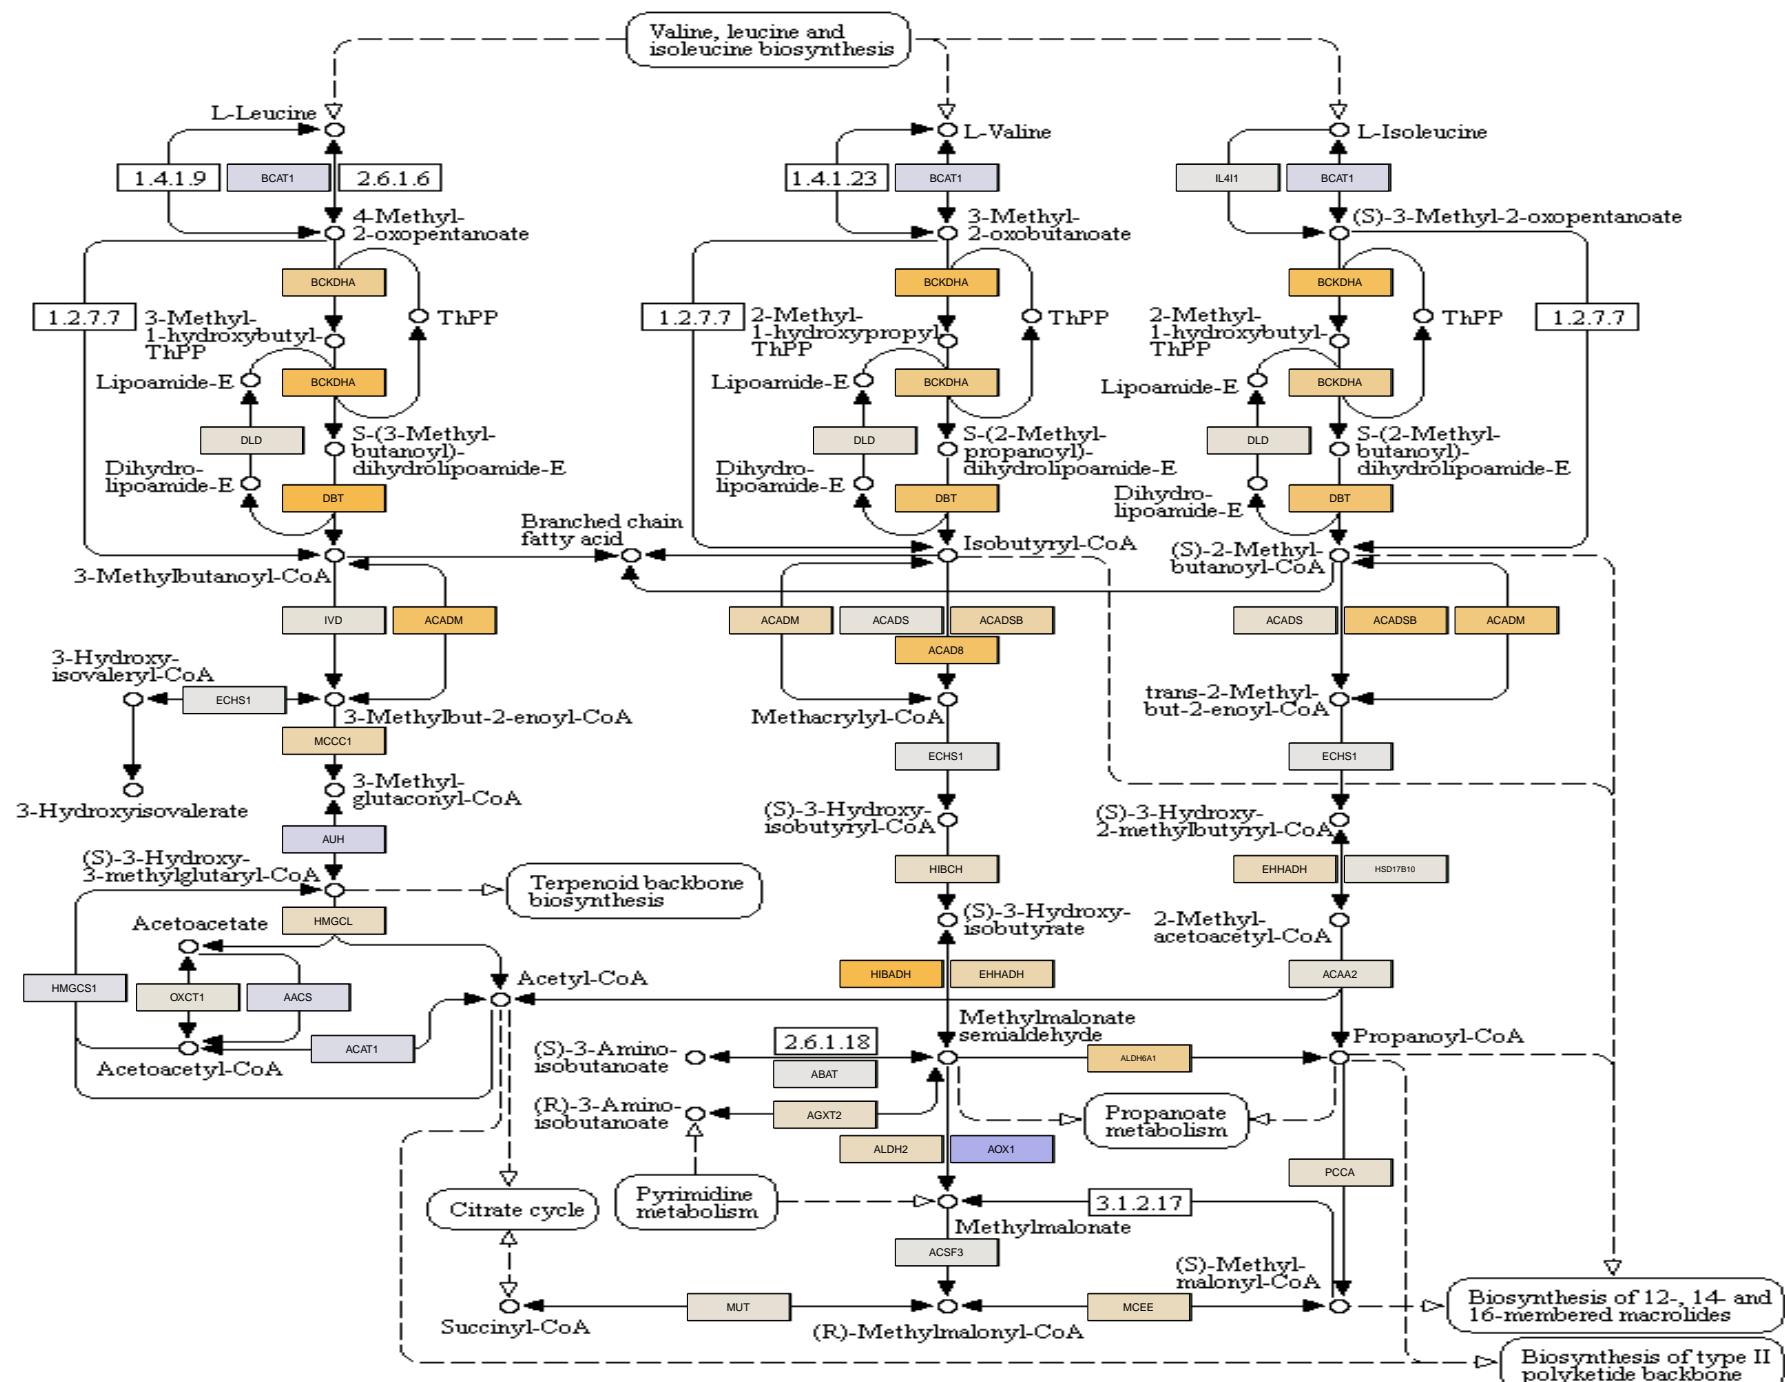

Valine, leucine and isoleucine degradation group 3

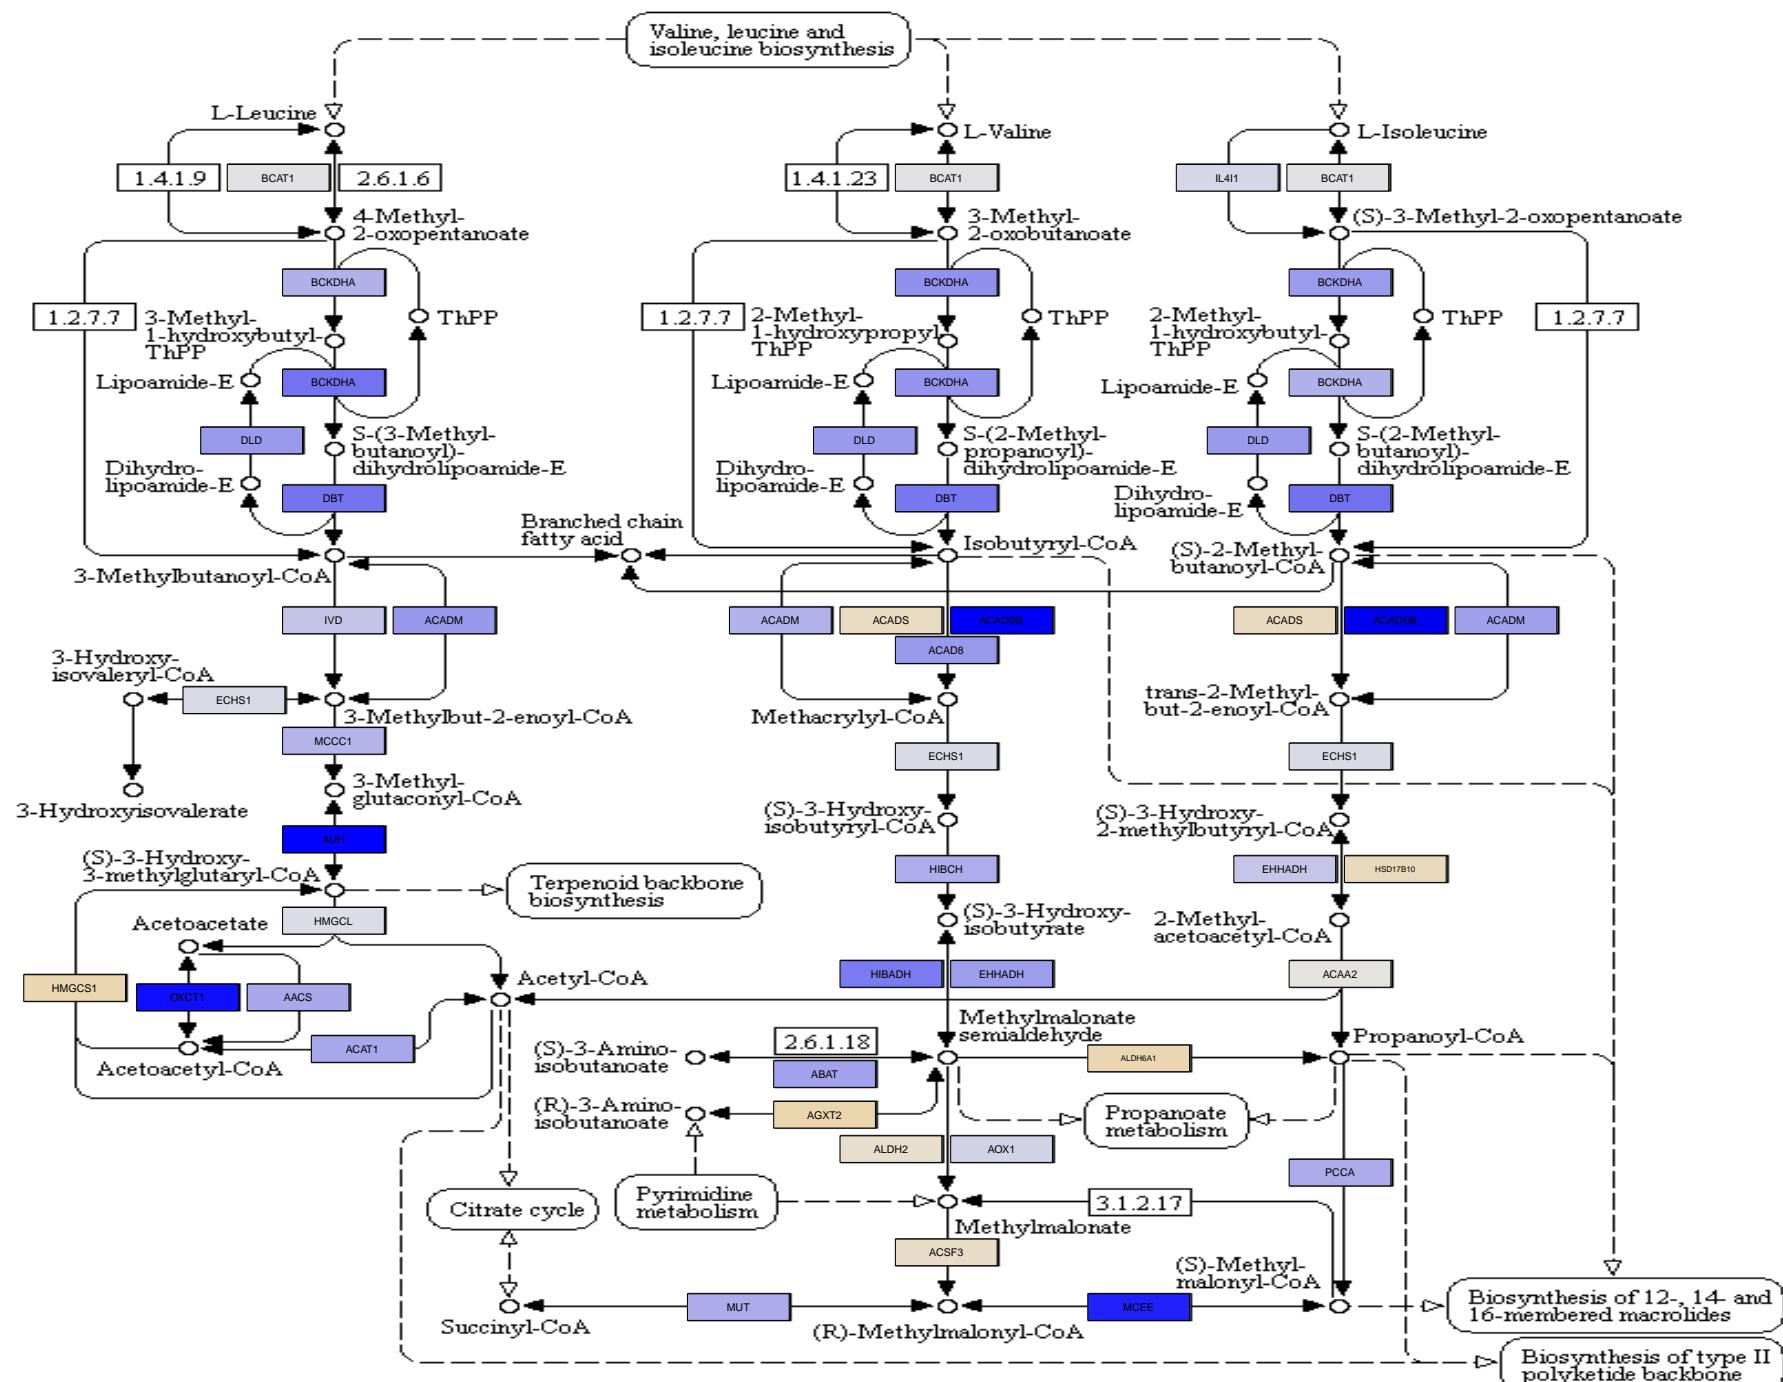

Valine, leucine and isoleucine degradation group 4

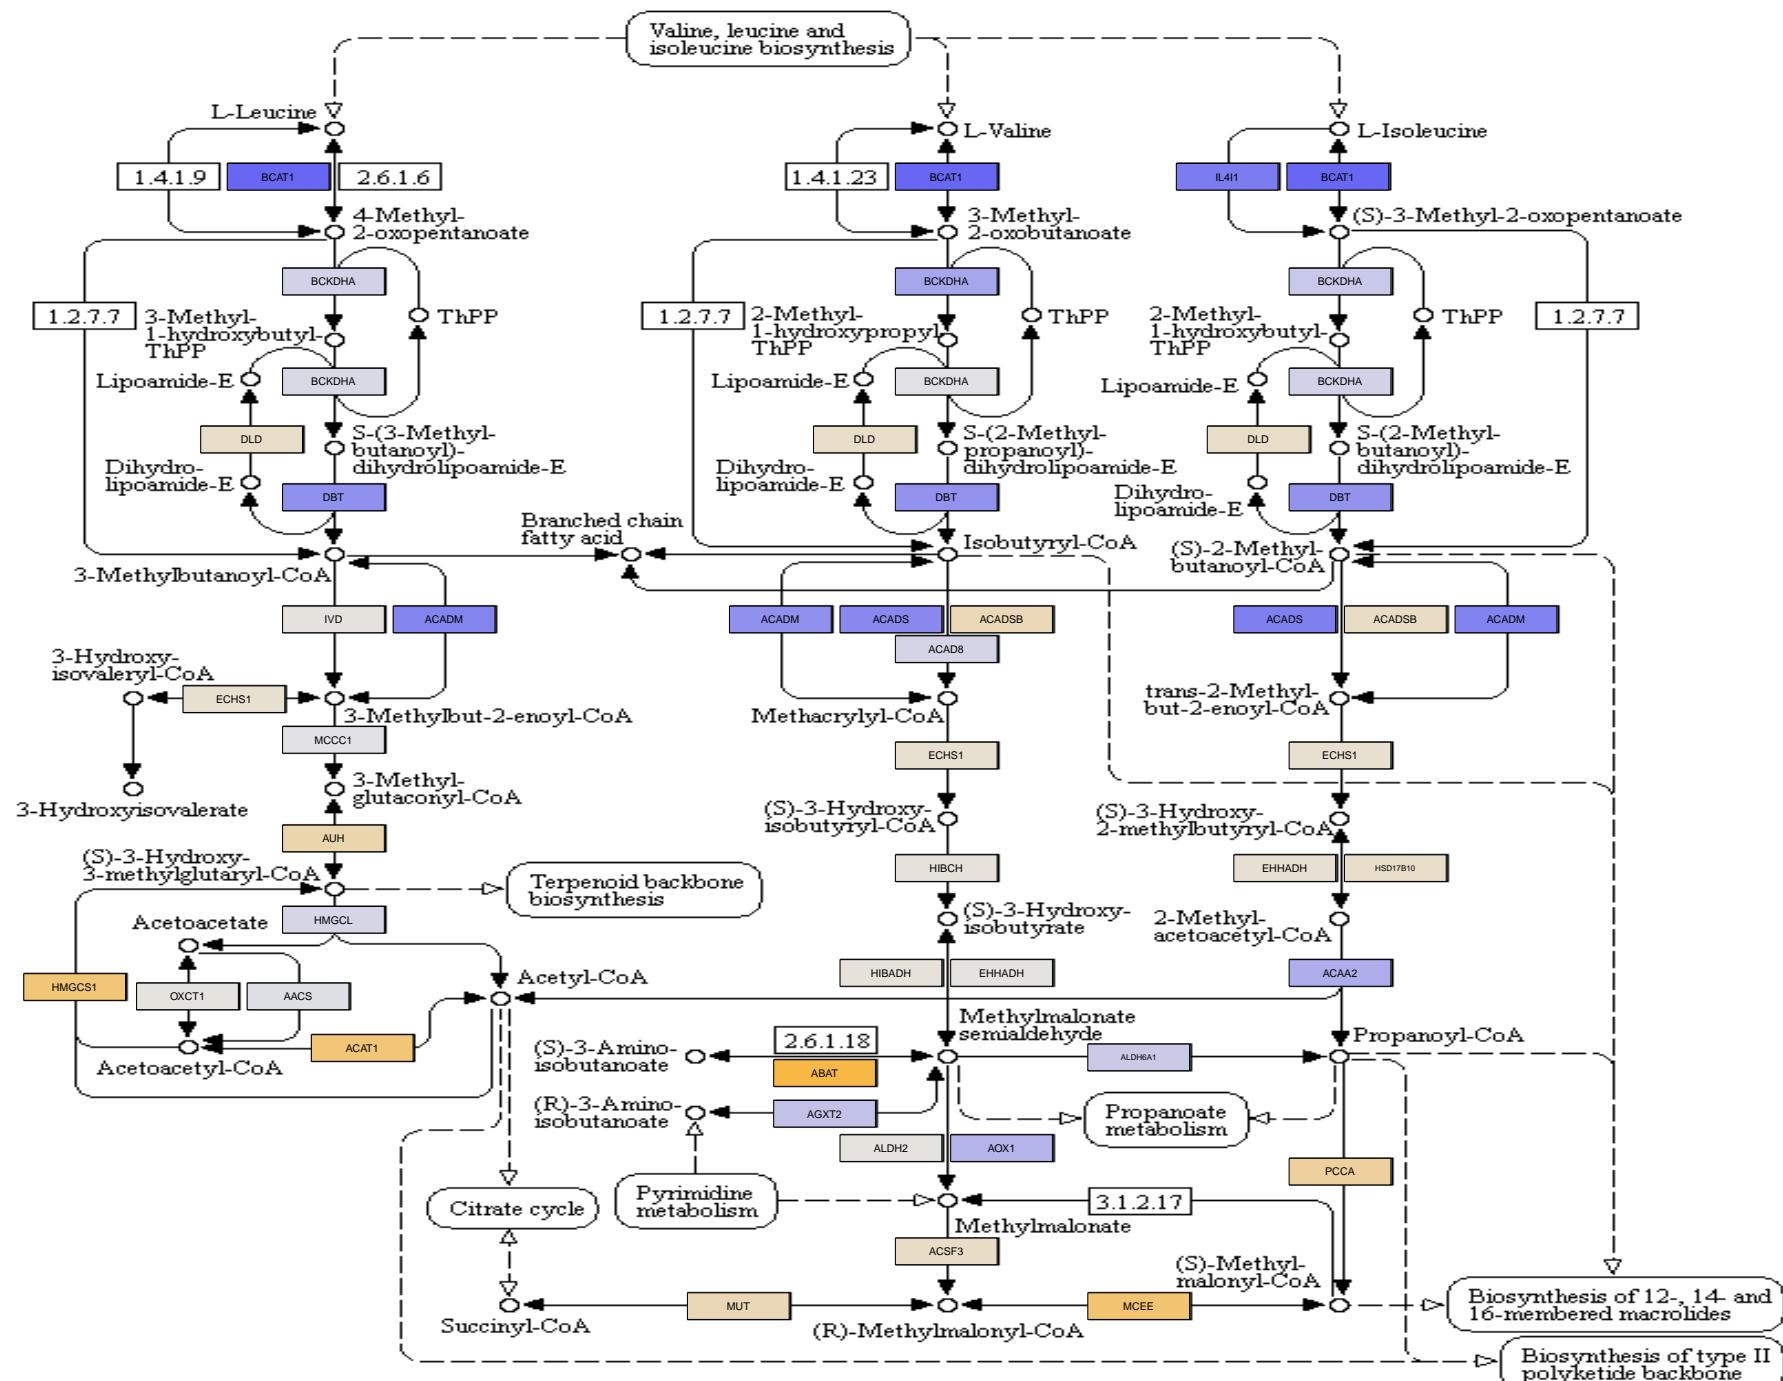

Valine, leucine and isoleucine degradation group 5

Valine, leucine and isoleucine degradation group 6

Valine, leucine and isoleucine degradation
group 7

Valine, leucine and isoleucine degradation
group 8
